**Drewton
Beck:
MP ♥ NFM!**

Emma Hardy MP inspects some of the leaky barriers installed on Drewton Beck

Amongst other MPs, of all political persuasions, Emma Hardy (Shadow Minister - Flooding, Oceans and Coastal Communities) recently met our good friends, Slow The Flow (STF Calderdale), at a presentation to ministers in Parliament.

STF followed up with an invitation to see their work in Calderdale and pointed out that she might also be interested in speaking to WWSTF and seeing our recent work, as we are so much closer to her West Hull constituency. Emma accepted our invitation to see the recent Natural Flood Management works at Drewton Beck and visited on Friday 3 May 2024.

Emma was interested to understand the NFM interventions and how they could be combined, in enough numbers, to provide flood mitigation by 'slowing the flow'. She particularly wanted to understand the barriers to NFM measures becoming a more widely-adopted approach to flood management, such as the potential impact on agricultural production, acceptance and adoption by the Flood Risk Agencies, and the levels of risk associated with these measures.

We were able to explain that the locations we have found thus far, for NFM, would have no effect on agricultural production, as they are marginal and wet riparian areas anyway.

We also noted that a very experienced NFM manager in Stroud District Council, Chris Uttley, takes the view that the closer you can make the NFM interventions to being natural, the less risk they pose - because nature will work with them, not against them.

In his extensive experience, that risk is simply

negligible - and certainly well within the insurable risk allowances of local authorities or Water Companies.

Beavers

And, of course, the conversation turned to Beavers! There is no doubt that they would do a much better job than us, as regards slowing the flow and flood risk management. But there are some big issues to consider.

Foremost is that, unless we want them *everywhere*, they can only be introduced into strictly-controlled enclosures, at considerable cost - they are great escapologists!

The second major point is that beaver dams restrict or prevent fish movement. In a naturally abundant landscape, that might not be an issue (except for migratory species). But in our degraded watercourses, where fish are already struggling to survive, coping with the enclosure of beaver dams would be a step too far for many species. More research is needed but, in many areas, there is no 'beaver silver bullet'!

More tea?

We finished the afternoon with lovely tea and cake at William's Den and further discussions with the principal landowner at Drewton, Christian Carver, to better understand the landowner's position.

Emma left with much to think about - but gave us a few things to ponder, too!

Hopefully, we have made a small contribution to raising awareness of Natural Flood Management on the political agenda.

North Cave Parish Council News

Caravans in the Village

A problem for us, other car traffic and often for the caravanners themselves, getting stuck negotiating Church Street itself and its junction with Appleton Lane. There is an 'Unsuitable for Caravans' sign and an alternate Caravan route sign on Newport Road just before the turn off to Townend Lane. We have argued that these signs are too close to the junction with Townend Lane for the caravan drivers to be able to do much, especially when in a line of traffic or, as often the case, at the front of it!

Also, some GPS systems don't recognise the village as unsuitable for caravans and consequently drivers might ignore the warning signs.

The Parish Council are pleased to say that, after some pressing, the ERYC have

agreed to funding specifically for an additional sign and for its erection closer to the M62. Hopefully it will be in position before the summer holidays.

Townend Lane - Good and Bad news

The good news is that Councillor Ray Tullock has been pressing the Environment Agency and, specifically, their Project Manager about the dangerous state of the riverbank and the consequent flooding of Townend Lane. The

Agency has responded and carried out temporary repairs, ground investigations and design work.

Permanent repairs are planned to be carried out within a few weeks.

The bad news is that given the extent of the work Townend Lane may have to be closed for a short while. We all know what an adverse effect this will have on traffic flow in and around the village.

The crucial point is that there is adequate alternate route signage for the heavy vehicles that presently use the Lane, North and South. We are pressing the Agency and ERYC to make it comprehensive, with adequate warnings properly placed so the truckers know what is happening and avoid. They, like us, don't want to be stuck here.

Litter Pickers

We do thank all involved with litter picking throughout the village, it is a constant battle, and it is appreciated by the Parish Council.

Parish Council

The next Parish Council meeting is on

Tuesday 18th June

In the meantime, if you need to contact us, our email is:

clerk@northcave-pc.gov.uk

Alternatively, visit our website

www.northcave-pc.gov.uk

or call the Clerk:

Naomi Wright 01430 425374

North Cave Parish Councillors are all volunteers who want to try to improve the community we live in, spending many hours of their time trying to achieve this as well as attending the monthly public meetings. We hold our meetings in the Village Hall, Westgate, every 3rd Tuesday of the month commencing at 7pm, there is an opportunity for you to have your say during the public forum prior to the full council meeting.

Are you no longer working full-time? Now is the perfect time to make the most of life.

Caves u3a offers you the chance to develop your interests, to make new friends, and to enjoy yourself.

We are a friendly and vibrant community with over 160 members from North Cave, South Cave, Brough and villages nearby.

With around 20 activities and interest groups, including Art, Walking, French conversation, Bird watching, Local history, Craft and patchwork there is something for everyone.

Experience members' meetings, monthly talks, leisure activities, outings and much more.

Our members are embracing life, continuing their creative, learning, or social interests in a friendly and encouraging atmosphere. Those

with a lifetime of experience, expertise, or know-how in professions, occupations, or hobbies are encouraged to form activity groups and share their knowledge with fellow members.

Why not join us for the opportunity to develop your interests, make new friends, and have fun?

A world of new experiences awaits you at **Caves u3a**, so what is stopping you?

Search for our **Caves u3a** website, then get in touch. Send us a message from our Contacts page or call Heather on 01430 424835.

Please note that the Police can now issue dog-fouling tickets.

Many Thanks, Howden Policing Team

SCHOOL LINK

'The ambitious curriculum provides rich opportunities for pupils.'

(SIAMS Report 2024)

School Sport

Sport forms an important part of our curricular offer at school and this year, we have been pleased to increase the amount of sporting opportunities offered to our children. In addition to our lunchtime football club and running club, we have recently started a netball club which has proved extremely popular. Additionally, we have participated in a range of interschool sport, including football, benchball, dodgeball and indoor athletics.

As well as participating in sport, we are consciously increasing the children's awareness of other sports through school visits. In March, we took a group of children to watch Leeds Rhinos play London Pulse at netball at the Allam Sports Centre. We now look forward to taking the children to watch cricket at Headingley.

School Visits

The summer term is always a very busy time for school visits. We are very much looking forward to our Class 1 and Class 2 visit to Paxwold, our Class 3 visit to Spiers Bank House and our Class 4 visit to Kingswood. We are proud that our school is able to offer a residential visit to every child each year, from Reception to Year 6. This is something we believe to be unique to our primary school.

'North Cave Natters'

As part of our work to promote diversity and inclusivity, the children in Class 4 have been producing their own podcast, 'North Cave Natters'. Within this, they have spoken to our Wellbeing Ambassadors about why wellbeing is important and how they are helping others within the school. Moving forward, they will be looking at issues such as equality in sport and what makes a good leader. Keep a look out for the podcast that will be published on our website.

'...pupils feel that their voices and actions are important.'

(SIAMS Report 2024)

Walk of Light 2024

The weather and light couldn't have been any more perfect for the Walk of Light held on Saturday 30th March.

The start ribbon was cut by the Rev Barry and the walk led by the Easter Bunny.

Thanks to everyone concerned especially Sam, Sharon and customers of The White Hart plus Westgate house for their generous sponsorship.

Thank you also to all of the lovely people that came along on the evening, walked and all that helped in any way to make the event the great success that it was.

Because of everyone's help and contributions the grand and amazing total raised came to **£895**, all of which will go to help fund research into blood cancer.

The organisers received a letter from Blood Cancer UK to thank her and everyone who took part in the walk for the generous donation. They went on to

say:

Because of you, the day we beat blood cancer is now in sight. As you know, blood cancer is the most common type of cancer amongst children, teenagers and young adults in the UK. When we founded in 1960, only 1 in 10 children with the most common blood cancer survived. Today, thanks to research, 8 in 10 children will survive and our researchers are determined to finish the job.

They can only do this with your support and I hope you can be proud of the difference you have made to lives affected by blood cancer.

We're the generation who'll beat blood cancer, because we face it together.

*Best wishes,
Bea Sparrow*

North Cave WI are enjoying a very busy year so far.

Some of us volunteered, as part of a working party for North Cave Village in Bloom, to bed in the wild flowers donated by us along Millennium Walk. It is truly a beautiful area.

At our April meeting we had an interesting talk by Dan Sidley from The Yorkshire Swan & Wildlife Rescue Hospital, based near Selby.

For more information on their work, they have a Facebook page or website <http://www.yshr.org.uk>

Some of us attended the WI Federation meeting in Willerby and enjoyed a very entertaining talk by David Harper, Auctioneer and TV presenter. The day also included an inspirational talk by Janet from The Moorlands Community Charity in Old Goole, who are doing valuable work to support girls and women in the area against discrimination, harassment and period poverty.

The Café, in North Cave Village Hall, continues to thrive, bringing together support and fellowship over lunch. It is open on a Monday, during term time, between 11 and 3pm. There are also boxes supporting various charities where baby items, toiletries, sanitary wear, and hats, gloves and socks can be donated.

We had a craft evening in May with the talented Iris Kleinecke- Bates, who tried hard to teach us Lino carving and printing - think we were all surprised at how well they actually turned out.

Next month we will be celebrating D Day, with a war themed party, and in July we will be having a talk by Colin Bradshaw, local historian.

We are also organising The Outdoor Swap Shop on 15th June in the Village Hall and the Café will be offering drinks and cakes, for a small donation (see large poster on Page 11 for details).

We are open to new members and meet on the 1st Thursday of the month, at 7.30pm, in North Cave Village Hall.

North Cave WI email
northcavewi@eastyorkshirewi.org.uk

North Cave in Bloom

After such a long cold, wet winter the beginning of May brought some very welcome sunshine. Throughout this dreary time, we hope the spring bulbs and wallflowers helped to brighten your days. By the time you read this article North Cave in Bloom volunteers should have planted up the wooden planters, under road signs and stone planters around the village with summer bedding including red geraniums, non-stop begonias and trailing begonias, purchased from Sand Lane Garden Centre.

The black plastic tub at the corner of Station Road/ Westgate, which the Parish Council rented for a year, will be replaced with a wooden planter paid for by the Parish Council and maintained by NCIB. This will be more in keeping with the others and more sustainable.

We are very grateful to all the volunteers who continue to help us maintain the Millennium Walk for the Parish Council, planting wild flowers, purchased from Mires Beck, clearing deadwood etc. We have recently enjoyed the bluebells in

the area and look forward to the summer flowers blooming, along with the wild flower bed on Blossoms Lane.

If you would like to help North Cave in Bloom in any way, please contact our secretary Pauline Hornsey on 01430 424789 or email phornsey217@phornsey217.karoo.co.uk

North Cave Sports and Social Club

The Club and Bar is open as follows:

Saturday from 2pm and Sunday from 8pm for Bingo

New members welcome: £10/year

Bookings and Membership:

J Smith Tel: 01430 423541 / Mb 07840 165114

Colin Clarke and Simon Taylor nearing completion of the patio

So, the patio is now complete - thanks again to all who contributed. What an amazing community focus it and the cricket have been this spring. Particular thanks to Col, Simon, Kevin, Andy and other helpers for the build, and for making our funds stretch as far as they have. We hope you will join the Sports and Social Club and enjoy a drink or two on the patio this year!

Now for our next target. The play area is a wonderful resource for the village, but it is also enjoyed by many people from other villages and further afield, who do not have anything as nice. Due to its age (20 years!) we need to undertake a major refurbishment, and we are aiming high. We want to create an inclusive space for everyone, and with really exciting equipment. Our target? £200,000, some of which we can get from development money (S106) and potentially from charitable funding.

But we need your help again. To make a donation, please email your name, address, and tel. no. to:

northcaveplayingfields@gmail.com
and make your payment to:

6th July,
23rd November

FOOTBALL CHARITY FUN DAY

27th July

North Cave Cricket Club

Cricket Came Home!

On Saturday, 13th April, North Cave Coal Exporters CC celebrated bringing cricket back to

North Cave with guest of honour, former England cricketer and artist Jack Russell.

We were lucky enough to have a few dry days in the build up to Cricket's Coming Home, and volunteers worked throughout the week to prepare pitches, put up marquees and get gazebos ready for the big day.

Despite some morning drizzle lots of Coalies, local residents and friends and family were at Church Street for our inter-club match, tucking into delicious bacon butties from resident chef James Morris.

With Jack Russell capturing the game on canvas from the boundary, team Kingo came out on top and, as John and Keeley Oxley lit the barbecue, visitors started flocking to Joyce's tombola, which was doing great business.

It was then time for the grand opening! Our

Chair Andy Swallow thanked everyone for coming before Jack cut the ribbon to officially open the club.

The sun came out just in time for the afternoon

events, with our NCCE Juniors taking on a team from Hessle CC.

One of the highlights of the day was our Q&A with Jack, hosted by former Coalie and now national journalist and Sky Sports pundit Rory Dollard. Jack regaled the crowd with tales of his time with England and Worcestershire, including his memories of his famous match-saving innings with Mike Atherton, who should be England's current wicketkeeper and just what it's like to face 95mph bowling!

Rory Dollard looks on as Jack was presented with a Coalies Cap by the Captain of the Junior team.

After everyone enjoyed the barbecue, cake stall and drinks at the bar, it was time for the raffle and auction.

Thank you to everyone for coming along to the event, and special thanks to everyone who gave up their time to make the event such a success.

The season so far

Unfortunately due to the weather so far this year, we've only managed to play one game, our first XI going down to a narrow defeat at Middleton & North Dalton.

Hopefully with the weather picking up, we should be seeing plenty of cricket down at the Playing Fields over the coming weekends. We look forward to seeing you there!

NEWS FROM MIRES BECK NURSERY

30TH ANNIVERSARY FAIR SATURDAY 15TH JUNE

On 13th May, we marked 30 years as a registered charity, and we're celebrating with a special open day to mark the occasion.

There's entertainment with the Sunshine Strummers Ukelele Band, as well as children's activities, tombola, homemade refreshments and a host of stalls. As always there will be discounts off our huge range of perennials, herbs and wildflowers. M&M Sheds & Fencing will be here showing off their range of superbly made garden buildings as well.

30 FOR 30 FUNDRAISING

As we commemorate 30 years of Mires Beck, we invite you to join us in our mission to raise £30,000 to help support 30 more years of Mires Beck Nursery.

Your donation, no matter the size, will make a massive difference to the lives of around 100 -and growing - service users.

Those wonderful people over at "Matthew Good Foundation" have agreed to match fund our 30 for 30 campaign.

Any donation you make will be DOUBLED and we have till the end of August.

Mires Beck service users, staff and friends have been involved in various activities from litter picking at the beach, to a 100-mile bike ride to raise money for the campaign. Ruth, one of our members of staff from the Anniversary Garden, walked approximately 30,000 steps along the banks of the Dutch river and the rivers Ouse and Aire, to raise money for Mires Beck Nursery.

MIRES BECK NURSERY

30th Anniversary Fair

JUNE 15, 2024
10AM - 4:00 PM

**STALLS - TOMBOLA - MUSIC - PLANTS - FOOD -
CHILDREN'S ACTIVITIES**

Join us in celebrating 30 years of
Mires Beck Nursery.

All the money raised will go towards our
Mires Beck '30 for 30' campaign.

Every donation will be matched.

If you'd like to be involved please get in touch.

Countryside Concerns

At last, we have some warm, dry weather after the worst wet winter anyone can ever remember and the countryside is alive with farmers and growers making haste to get some crops in the ground. It really lifts the spirits as you travel around glorious leafy lanes and byways with all their different shades of greens and, even though we've had an awful wet season, it doesn't seem to have done any harm to our trees and shrubs that have had a marvellous display of blossom this year. I can't recall ever seeing so many

Celandines that have carpeted the roadsides for mile upon mile. The old herbalists would have enjoyed a bumper crop of them to make their ointment for Piles!

I got a report in late April, from the "eyes in the skies" in Newport, of the arrival of two Swallows on the power lines where they stayed for most of the morning before moving on. They must have just arrived from their epic journey and I always marvel at their strength and stamina to make it across the ever-widening Sahara Desert. May 3rd and another report, from the "ears on the ground", of at least 2 Cuckoos, around the ponds in Newport. A recent publication of the Yorkshire Wildlife magazine said North Cave Wetlands was a listed place for the Cuckoo - so that's a real feather in our caps for that good news!

Something a bit more alarming to watch out for is the fact that one of our most dangerous plants - the Giant Hogweed - is spreading at an alarming rate across the countryside and could even turn up in our gardens. This is all due to the wet, mild winters we are experiencing. It's a member of the Apiaceae family (previously known as the Umbelliferae

family) of which the lovely "Queen Anne's Lace" belongs - the one that is turning our roadsides into a froth of white.

Our common hogweed *H. spondylium*, is the one we used to make pea shooters out of as kids and grows 3-4ft and, in days gone by, was fed to pigs as a food supplement; whereas the giant hogweed *H. mantegazzianum* grows 10-12ft, easily recognised by its height, and can cause serious burns and blisters to the skin, if you get any of the sap on you - especially if the sap is exposed to the sun. 2024 is reportedly going to be a bumper year for it so be on the lookout for this 'rapacious invader'.

A couple of days ago I found I had been sleeping with an unusual bed-fellow ... a rather large Bumble Bee appeared on the sheet as I threw back the covers to air the bed, it must have had a good kip as it was nearly an hour before it finally flew off outside. I was just glad it wasn't a spider!

FOOT NOTE: just a gentle reminder for anyone going to Bridlington of an evening, to enjoy some Al Fresco fish and chips... A family and their two dogs were sat on the sea wall when a Seagull landed briefly on the chap's head before diving down on an unattended sausages/fish and chips and flew off with a fish and one large sausage in its beak. After a bewildered pause and a jolly good laugh, they went back to the car where the poor chap got a bang on the head from the boot lid! Sadly, the dogs missed out on their sausages!!

Cheerio

Newbald Live Music & Events

News from Newbald Live

Newbald Live puts on live events at Newbald Village Hall and has some exciting shows coming up.

Sat 25/5/24: *LAST FEW TICKETS* Kim Richey - Nashville based country singer-songwriter Kim Richey has written for and with some of the biggest names in the business, commanding their respect and admiration for her heartfelt melodies, story-telling and

Photo: Andrew Newiss

humour. Best summed up by renowned Nashville songwriter Ben Glover thus: *"She's one of the best singers I've*

ever had the chance to work with."

Sat 22/6/24: The Weeping Willows. From Australia, this duo have been nominated for countless awards in their native land and stop off in Newbald as part of a 3 week UK tour: *"...stunning acoustic guitar work, heavenly harmonies, and a haunting melody rooted in American Gothic."* – Pop Matters (USA)

Friday 12/7/24: The Often Herd. A bluegrass quartet who will guarantee to have your foot tapping from start to finish – these guys played a sold out show in Beverley at the start of this year and the audience reaction was incredible – another night not to be missed.

All tickets can be booked by calling 07950 267913, or via our website: www.newbald.live where you can also sign up to our email list, and benefit from priority notifications and ticket purchase with no booking fees.

The White Hart Inn

Sam and Sharon McKnight will welcome you to our warm and friendly village pub. Come and try one of our great choice of local cask ales, as well as our fabulous range of gins, spirits and more! We also have a good selection of beers and ciders on draught.

Enjoy both our lovely log burner and real coal fire to keep you warm whilst also enjoying weekly/ monthly live events.

We have live acoustic music on the last Saturday of every month and our popular weekly Quiz Nights on Thursday where we run an open the box and spin

the wheel with the potential cash prize jackpot! Our league standard pool table also allows you to challenge your friends and family competitively. We look forward to seeing you and thanks for all your continued support of our Pub.

Opening times:

Monday	4pm-10.00pm
Tuesday - Saturday	4pm-11.00pm
Sunday	4pm-10.30pm
