# HAPPY 25<sup>th</sup> BIRTHDAY VILLAGE LINK

Residents recognise value of newsletter to community

26/1/2000

## Villagers rally to save letter

**VILLAGERS in North Cave have rallied round to save their parish newsletter.**

Residents have arranged to create a new newsletter to replace their monthly Towers of Strength magazine, the last issue of which will be published in February, when The Rev Peter Hayward moves to a new parish on the Solway Firth.

Residents plan to have the first copy of their new newsletter sent out to every home in March, maintaining the continuity from the Towers of Strength newsletter.

Organiser Bill Blackledge said: "The

NEWS REPORTER

meeting to discuss the setting up of the newsletter was attended by 24 people and it was agreed to continue the newsletter but make it more wide-ranging in its format.

"The idea of continuing the newsletter had the support of Rev Hayward and we hope to be able to deliver it to every home in the North Cave, Everthorpe and Hotham areas to act as a welcome to new people moving into these villages."

Editorial staff have agreed to work on the content of the newsletter free of charge and a North Cave printer has

also offered his services free of charge.

Mr Blackledge said: "We are aiming to make this a monthly newsletter and we will be having a meeting to finalise the details.

"It could be a year or more that we have to wait until we have a new vicar installed here but one of the things which may make the parish more attractive to a prospective vicar is if a thriving newsletter is already in existence."

The new newsletter will include items on village events including sports teams, projects and fundraising activities, as well as regular parish council reports.

The inaugural Committee meeting, in North Cave School Hall, to discuss the setting up of the Village Link. Some are, sadly, no longer with us.

As you will see from the Hull Daily Mail article, above, the original intention was to have a monthly newsletter. Unfortunately, this was not sustainable in the long term, despite the fact that there was a small editorial team in the early days. The decision was made to move

to every two months to reduce the pressure on the volunteers. Village Link would like to thank all the people who have supported us over the past 25 years - Advertisers, Editors, contributors, Treasurer, printers and the distribution team. [Here's to the next 25!](#)

# Community Carol Singing on the Green

What a wonderful festive evening we had with fairy lights, fire-pit, Father Christmas popping to see us and all blessed with good weather.

Lots of thank yous due to so many people that contributed to make the evening the great success that it was:

- A huge thank you to Marissa, who stepped in at the last minute and led the singing so enthusiastically and joyfully with the help of her choir.
- Thanks to the bell-ringers for their lovely hand-bell rendering of Carols.

- Thanks to the WI and Friendship group for supplying, and cheerfully serving, mulled wine and mince pies.
- Thanks to Phil for providing the fire-pit and keeping it going.
- Thanks also to The Playing Fields Sports and Social Club for providing the gazebos and, along with Father Christmas, The COGS and the bell-

ringers, set up and then cleared the Green.

Finally and very important to thank all of you that attended and sang with gusto to make the evening into such a fantastic Community event, a great start to the festive season.

# Mark Brooks - RIP 23.12.24

Many of you will have known, or been aware of my dad because of the huge sunflowers that he grew in his front garden on Blanshards Lane, of which he was hugely proud, happily standing to have his photo taken to show just how tall they actually were!

His life began 90 years ago in Newcastle upon Tyne and his geordie twang was still with him right until the end. He did his National Service in Germany and then met my mum, Yvonne, at a local dance, and were soon married. They danced together all of their lives, always making sure that any holiday destination included a dance floor.

As a young couple they moved south where Dad joined the Ministry of Agriculture. The MAFF moved him around the country on a regular basis, and he acquired 2 children along the way, my brother Paul and I. During these travels he came upon North Cave and decided it was the place to settle once retirement loomed. And so they settled into village life in 1979, and it was only in August of last year that they made their final move

into Orchard Court in South Cave, when they could no longer manage at home.

In the intervening years my parents lived a busy and happy life, and their expanding family grew to include 3 grandchildren and 5 great grandchildren. They joined the Caravan Club and were regularly to be seen blocking the lane as they manoeuvred their caravan on and off the drive! Dad was very proud of the work he helped with in the village. Joining the fight against the tip, which was so successful that the resulting Wetlands are now known far and wide. He also became a member of the parish council and helped with Village Link deliveries, though his 'link' to that publication is probably better known through the articles he wrote especially the April Fools that he came up with that had people scratching their heads and wondering if they were true. And in 2023 when there was a special article celebrating my parents 65th wedding anniversary, along with a letter from the newly crowned King Charles.

When Dad's eyesight failed and the car and the caravan had to go my parents took to other forms of transport and still

travelled extensively far and near until his ill health with Parkinsons Disease, and hers with dementia, kept them ever closer to home.

Dad died peacefully, after a long and happy life, at Hull Royal Infirmary on 23rd December, 2024. He will be sorely missed.

### 50th Birthday!

On 28th April 2025, we will be celebrating the 50th anniversary of our current school building opening. In that time, the school has been at the heart of our community and has created many special memories for our children and their families. We look forward to sharing details of our planned celebrations soon!

### School performances

Performances form an important part of our curriculum and allow the children to share their learning and showcase their talents. In the autumn term, every child performed to parents in a class worship or as part of our Christmas nativity. These proved popular and the feedback we received was excellent!

As we move into the spring term, each class will be performing a class worship to their families. In addition, we look forward to leading our Easter Service at All Saints Church.

Full details of our performances and activities can be found on our weekly newsletter. These can be accessed via our website at [www.northcave-school.co.uk](http://www.northcave-school.co.uk)

### Visits to our school

We are extremely proud of our school and our provision and welcome the opportunity to show this to prospective families. If you have a child due to start in Reception, please contact the school office. We would be delighted to show you around and answer any questions that you may have.

The PC is also looking into obtaining a grant for

trees to be planted on the North side Newport Road in November 2025; to long-term create an avenue of trees.

## What does the NCPC do to try and alleviate some of the Village's traffic issues?

Well considering it is ERYC who have most of the statutory and political power and the money we give it a good try... by negotiating, lobbying and pestering on behalf of the village and with a STRATEGY and DAY by DAY actions eg....

1. We, and especially Cllr Gibson-Matthews with help from Liz and Bill at 2B Landscape Consultancy spent a lot of time and effort last year putting together a strong, well thought out and detailed proposal to ERYC for a 20mph limit throughout the village. Eventually we were turned down...but we are still trying...
2. Data gathering with the Telraam device, (Thanks to the gentleman in Church Street who has one, and who drew our attention to its potential). Having our own to measure the flow and speed of traffic in various locations, will allow us to put the village's needs forward, based on objective hard facts and not just opinion.
3. The establishment of a Community Speed Watch. **Volunteers will be needed**, not just welcome. The scheme has the power to affect driving behaviour, via letters of warning from Humberside Police, based on evidence from the speed camera devices.
4. Our planned action to convince ERYC to amend the speed limits along Newport Road and the reasons we have amassed in support.
5. Our planned action to prohibit towed caravans from coming through the village except for access and to monitor that prohibition with Community Speed Watch and SNAP.
6. Our planned action to try and persuade ERYC to put in pedestrian refuges in the busy parts of the road through the village, especially where the young and the old need to cross.
7. Videoing traffic violations especially by large lorries and reporting the drivers to their employers and the police via SNAP.
8. Making sure that any traffic-affected works carried out by ERYC or its contractors are properly planned and with adequate notice and signage. KCOM, BT & Quickline have all been recently working in the village.
9. Helping bus traffic passengers by repairing the Bus Shelter in Station Road; trying to get a reduction in the speed limit along Newport Road and a road refuge for school children using the Newport Road bus stops who have to cross the road to get home.
10. Going through a careful recruitment process, employing Roy, our village streets, pavements and paths litter champion, keeping thoroughfares clear of debris and safer to use.
11. Repair and improve signage around the village, making sure they are clean and not obstructed by foliage etc.
12. Continually lobbying for Tarmac repairs and improvements; Blanshards Lane and the top of Church Street being the latest and, hopefully, successful representations for re-surfacing of Newport Road this year.
13. Doing what we can to change the Google algorithm which usually shows the route through North Cave when, in our view, the A1034 through South Cave would better suit traffic and is without the weight limitations.
14. The village businesses, the most impactful of which is the quarry on both sides of Newport Road. Keeping regular contact with Breedons and working together to keep Newport Road free of debris and flowing; despite the heavy and dirty trucks coming along, turning and crossing the road numerous times each day.
15. A constant check has to be kept on the state of the highways, their drainage and fitness for purpose. The village is also dissected with lanes, paths and bridges, which take substantial pedestrian traffic. Keeping them open and as free of mud, in the winter, and overgrown hedges, in the summer, and the bridges safe.
16. We can't do nearly all that we want; but as volunteers, we do our best.

# NEWS FROM MIRES BECK NURSERY

Happy new year from us all at Mires Beck Nursery.

Right now, we're busy cleaning and recycling plant pots, repairing and painting benches, and carrying out all the other tasks ready to re-open 7 days a week from March 1st. We're also in the middle of delivering more than 100,000 trees to customers as far apart as Devon and Durham.

Christmas was a very busy and happy time, with our own version of "The Twelve Days of Christmas". There was a different activity every day for 12 days, and they included a private showing of Home Alone at the Parkway Cinema in Beverley, a panto performed by the Caveplayers, a certificate day, and wreath making. We also decorated our own tree for the Beverley Minster Christmas Tree Festival.

Our Christmas Fair raised almost £1500, and our thanks go to Donna at the Old Bank Café n Deli in North Cave and Fiona at The West End Café in South Cave for donating delicious tray bakes for the refreshments. Thanks too to all the volunteers and The Friends of Mires Beck who helped to make the day a success.

North Cave WI had a very busy December.

The WI Monday cafe held a Christmas party at the beginning of the month, with a visit from Father Christmas, who handed out gifts to all the volunteers and all the customers.

Many thanks go to the volunteers who help every week.

At the beginning of the month the WI had their Christmas meal at the Hotham Arms, which was enjoyed by all.

A large number of members visited the magical 'Illuminate' at Burnby Hall Gardens. The coloured lights and gardens were spectacular and well worth a visit.

The walking group and netball group held their Christmas meals at Cave Castle and the Half Moon at Elloughton.

Father Christmas and his Elves visited the village just before Christmas and handed out sweets. It was lovely to see so many excited children coming out to see them.

WI volunteers also helped out at Carols on the Green.

Keeping on the party theme our first meeting back in January was a New Year Party, where all the members each brought a variety of 'party food' and we had a good natter and catch up.

Our meetings are on the first Thursday of the month starting at 7.30 pm in the Village Hall. We have a very full programme of speakers and craft nights.

New members are welcome, just turn up.

## YULETIDE ROMP - 28<sup>th</sup> DECEMBER

28<sup>th</sup> December dawned misty and damp but around 20 brave souls, together with their children and dogs turned up at the North Cave Playing Fields Clubhouse to join in the NCPFA Yuletide Romp. This was a 3-mile walk from the Clubhouse up through Hotham Park, into Hotham and and back through the Park to the Clubhouse. Our thanks to Karen Webster for an appropriately warming Chicken Curry and Rice meal at the end of the walk. Those that wanted then spent a very sociable hour or so whilst they enjoyed the food and a drink.

## RENOVATIONS - NEW FLOOR

As mentioned in the last edition, NCPFA continues to invest in the facilities and the visitors on 28<sup>th</sup> were among the first to be able

to see the new flooring that has been laid in the Bar area and other areas of the Club. Other decoration and refurbishment of the changing rooms has been scheduled. Costs continue to rise so every penny helps towards the provision and maintenance of all the equipment needed to maintain the playing field and play area.

## PLAY AREA

As you are aware the Play Area is not getting any younger and is approaching its 'use by' date. Whilst we continue to work seek help from the larger funders; it is not a quick process! Funders like to see that a community is trying to help itself, so we are asking everyone to show their support for our efforts by making a donation. Every little helps and will show potential funders that we have support from the community.

Thank you to the WI and everyone else who has already contributed. However, we need more please! Scan the QR code and follow the link to go to NCPFA Localgiving fundraising page - <https://localgiving.org/north-cave-playing-field-association>

## How else can you help?

**Are you are a Dog Walker?** - As well as continuing to pick up after your dog (*Thank You*); please consider making a donation of £20 per year to help towards the maintenance of the area.

**Join the Club** - even if you are not particularly sporty, you will receive a welcome and be able to make use of the Bar, Patio and facilities.

## Continue to support the events!

The Club and Patio is open at weekends from 12 noon - rugs are available if you would like to sit outside and are feeling a bit chilly - just ask!

Watch social media for event announcements.

Newbald Live have another exciting programme of live music and comedy scheduled for 2025,

starting with a couple of Sunday teatime shows in February and March. Then in April we welcome our first transatlantic artist of the year quickly followed by a hilarious evening with the front man of the UK's foremost comedy/parody band.

**Sunday 23rd Feb, Doors open 4.30:  
Sorrel Nation - Tickets £12**

Kent born songstress Sorrel Nation brings a soulful mix of folk rock, with powerful vocals and haunting

melodies. She engages audiences with emotive lyrics, 70's inspired style and is known for impressive covers of Gillian Welch, Fleetwood Mac & Portishead. Her recently released album "Lost en-route" attracted great reviews ("...a real songwriting talent" – Fatea magazine) and appearances at major festivals such as Glastonbury and Cambridge Folk Festival are cementing her reputation. Tickets: £12

**Sunday 23rd March, Doors open 4.30:**

**The Rye Sisters**  
The Rye Sisters (Ishani and Sue) are a duo from Lincolnshire who write and perform

Americana and folk-country songs in close harmony to guitar and fiddle. They pull from broadly American influences, such as The Secret Sisters, Gillian Welch, Sarah Jarosz, and The Chicks. Their new (second) album 'Distant Light' was released in December receiving excellent reviews and their debut show in Newbald, opening for The Weeping

Willows in June 24 had many of the audience demanding we invite them back for a full headline show... so here they are! *'Simply exquisite harmonies'* - Americana UK Tickets £10

**Saturday 5th April, Doors open 7.30:  
Lynne Hanson (+ support: Gracie Falls)**

**Lynne Hanson**  
We are delighted to welcome back Lynne Hanson, Canada's own Queen of Americana: Too tough for folk and too

blues-y for Country, expect a range from sunshine blue sky ballads to gritty American swamp, underpinned by her unique poetic, songwriting. Opening the show for Lynne is well known local rising star, Gracie Falls. Tickets £15

**Friday 11th April, Doors open 7.30:  
Scott Doonican (One man show)**

After a sellout show here last year, Scott Doonican is back! Promising a high energy, hilarious evening featuring songs you will sing along to, even though the words aren't quite what you expected. You will laugh, you will cry (with laughter) and then you'll laugh a bit more. Tickets £17.50

Did you always mean to learn to play but never got round to it?

Do you already play the guitar but would like to practice and play with other guitarists?

After Easter we plan to set up a Caves u3a Guitar group, meeting in Brough. All you need to join us is a guitar and a capo. Our tutor has played the guitar for many years and now that he has retired he is willing to help others to learn to play.

Please let us know if you are potentially interested now so that we can find a suitably sized venue. We will send you more information in Spring.

To register your interest please give your name and contact details to Heather Turner on 01430 424835 or send an email to [u3aHeatherTurner@gmail.com](mailto:u3aHeatherTurner@gmail.com)
