## North Cave Preschool

As we head towards the summer holidays we look back on all the exciting events we have had throughout the year.

We say goodbye to some very special children & their families and look forward to welcoming some new friends.

This past term, we have learnt all about the seaside & under the sea, starting school, story book week & role played as hairdressers, builders, doctors and chefs! We also held a sports day where the children showed off their skills and demonstrated excellent sportsmanship.

We joined North Cave Summer Gala and held a 'Teddy Tombola' - thanks to all who supported us despite the rain!

Donations for tombola prizes are always welcome—please drop off during opening hours if you can.

We currently have limited availability for children aged 9 months and above. If you're interested, please get in touch or call in to learn more!

## Open Day Day St Oswalds Church , Hotham

Sunday 10<sup>th</sup> August. 10:30am to 4:00pm

### Refreshments available

An opportunity to drop in to St Oswald's Church at Hotham to discover the history within — Did you know there are:

- Arts & Crafts art works of national importance?
- That there's Norman stonework, Victorian and 21st Century beauties?
- People have come to this holy site for many centuries — have you discovered it yet?

All ages welcome.

## The Parish of All Saints North Cave: with St. John's North Cliffe and St. Oswald Hotham

### North Cave and Everthorpe Open Gardens -

**Sunday 22<sup>nd</sup> June 2025**

Apart from one short shower, the weather was very kind to our garden visitors and we understand that kind garden owners invited visitors to shelter and no one seemed to get too wet.

Maps were sold in various places around the villages and special thanks are sent to North Cave News for a sterling effort in selling so many.

There was a total of eight gardens opened in North Cave and the extra work in preparing the gardens is much appreciated and thanks go to those who were willing to open their gardens.

All Saints Church was open from noon until 5:00 PM with a stalwart team serving drinks cakes and sandwiches. A big thank you to everyone who baked for us and many thanks to the team who endeavoured to please our garden visitors.

Gardens were also open in Everthorpe as was the community orchard where refreshments were served. Grateful thanks to all organisers, gardeners, and workers who give their time to make it a very enjoyable afternoon.

The proceeds are for the church fund and a wonderful total of £900 was raised.

## Would you like to improve your wellbeing?

Hello there,

I am a psychotherapist recently 'retired' (not that I ever will!) and relatively new to living in North Cave. I currently facilitate wellbeing walks at the Wetlands reserve - and other

places - and I'm wondering whether anyone in the village (or beyond) has an interest in joining an indoor Wellbeing Circle when we move into the Autumn and Winter seasons. If there is enough interest, I would run this at the Village Hall in North Cave. It would be at venue cost only in the first instance.

If you are interested in the walks, you can read more here: <https://nemetonaproject.blogspot.com/p/wellbeing-walks-wandering-and-wondering.html>, and if you'd like to know more about a possible Wellbeing Circle, then do email me on [daphnepleace@gmail.com](mailto:daphnepleace@gmail.com) and I'll send more information. Primarily, though, we'll be looking at ways to improve our sense of wellbeing (our 'inner' being) and developing more emotional resilience for these difficult times we live in.

I hope to hear from you.

*Daphne*

## New Look War Memorial

Sharp-eyed passers-by will have seen that the War Memorial now has an outer coat of scaffolding and might be wondering what is happening. This is to let you know that sometime within the next few weeks the Memorial will be cleaned to return it to its original state and how it was last seen after it was cleaned in 2016. This is the first stage of an uplift for the War Memorial and its surrounds. Once cleaned, Stage 2 will be to start work on the paving immediately around the structure.

The Memorial and its surround, has been the focus of concern by the Parish Council for a number of years and many options have been explored. We looked into the option to replace the area with a bespoke Yorkstone

surface, using stone from a West Yorkshire Quarry. This would have been expensive and involved a fair amount of digging and disruption around the base of the Memorial. The final solution, that has been agreed, is a two colour Flexistone base, laid over a flexible sub-base, which will not require as much digging to create a foundation. The new Flexistone surface will form a solid, but permeable, surface. It will be flexible enough to allow tree roots to move underneath, without causing any problems with the surface. Being permeable, any rain falling onto the surface will drain through and not create any puddles and minimise slip hazards, as well as allowing air to transfer through the surface to any roots underneath. It will avoid any issues associated with joints breaking up and is expected to last for many years to come.

The next job for the Parish Council is to seek approval to the design from East Riding of Yorkshire Council and the War Memorial Trust. Assuming we get the go-ahead, we are hopeful that the new surface will be in place prior to Remembrance Day in November.

The Parish Council hopes that you will all like the end result.

## Flower Display 2025

The flower display surrounding the War Memorial in the centre of the village is now up, providing a flush of colour supporting the annual displays created by NCIB.

## War Memorial

The War Memorial will be cleaned from mid-July, and scaffolding will be in place for 4 weeks. The PC will be looking for local contractors to replace the paving surround once the cleaning is completed.

## New Councillor

Due to the resignation of Mr Charles Payne we now have a new Councillor to welcome, Mr Steven Tradeswell and we look forward to working with him.

## Millennium Walk

This area has had the dead wood removed by a happy band of volunteers (as shown in the picture) now hedgehogs have vacated their

nests. We do support the wildlife in this area; please see how to help hedgehogs; further details are on our website.

## Community Speed Watch

North Cave Parish Council is pleased to announce the launch of the Community Speed Watch (CSW). CSW relies on volunteers to monitor and record speeding vehicles in their local areas, aiming to educate drivers and improve road safety for all.

## Hedgehogs in need of help:

### LETHARGIC

Hedgehogs don't sunbathe!

### FLIES

If there are flies around a hedgehog it needs help.

### WOBBLY

If hedgehogs are wobbling as they walk there is something wrong.

### OBVIOUSLY INJURED

### TRAPPED

Have been caught in netting, a pond, drain, etc

### HOGLETS

If seen out in the day without an adult and/or squawking

### OUT DURING THE DAY

Some exceptions being a mum nest building or taking a break from the nest or any adult that has been disturbed and is seeking safety. These hedgehogs will be healthy looking and walking with purpose.

### If you see hedgehogs in need of help, please carry out the following first aid:

- + Use gardening gloves or a folded towel to gently pick the hedgehog up and pop it into a high sided cardboard or plastic box.
- + Bring the box indoors away from flies.
- + Keep the hedgehog in a quiet room away from pets and children and don't be tempted to look at it any more often than you must to carry out first aid.
- + Unless it's a very hot day, wrap a warm hot water bottle in a towel and place the hedgehog on it, with another towel gently draped over the hedgehog to keep the warmth in, make sure it has room to get off the bottle and that it stays warm (but not hot) at all times.
- + Offer a small amount of hedgehog food or meaty cat or dog food and some water – don't force feed.
- + If it is a small hedgehog or hoglet do check nearby for others from the same litter that might also be in trouble.
- + Call the British Hedgehog Preservation Society on 01584 890 801 for the phone number of your local independent hedgehog rescue volunteers (or go direct to the rescue if you have contact details).

The scheme involves trained volunteers from both the Parish council and residents, currently including: Cllr Gibson-Matthews who's is the coordinator for the North Cave group, Cllr North, Cllr Godfrey, and Cllr Tullock.

Resident volunteers include: Mr Embleton, Mr Ball, Mr Cox and Mr Mudryk.

Without these volunteers the scheme would not be the success it is proving to be.

CSW is a police supported initiative in which volunteers monitor and record speeding vehicles in our community.

# Parish Council News cont.

The first North Cave community speed watch took place on the 13th of June at a designated location on Newport Road.

The number of vehicles that passed during the hour speed watch were 354, with no recorded speeding. Drivers adhered to the 30mph speed zone and some even gave the thumbs up to the CSW group, a very positive result.

Dan Goodman, Humberside Police Community Speed Watch Co-ordinator, said:

*"It has been a pleasure to assist the North Cave CSW Team to get up and running and to witness their first live operation. There is a sense of genuine keenness and enthusiasm for the scheme and the potential it has for educating drivers recorded as exceeding the speed limit through the village".*

Twice a month North Cave CSW group aim to be out at various designated locations within North Cave village.

The aims of the CSW are to educate drivers and change their behaviour regarding speed, and to reduce speeding within the North Cave community. It also helps to improve road safety and reduce the risk of accidents and casualties.

The North Cave WI has had a busy few months and also have a lot

planned for the rest of the year.

### The Great Big Green Week 2025

Members of the WI, along with other members of our village community, took part in a range of activities to support the Climate Coalition's THE GREAT BIG GREEN WEEK – 7<sup>th</sup> to 14<sup>th</sup> June. This year the theme was "Swapping for Good" - be it skills, ideas or knowledge.

Among our activities were:

Promoting the recycling of plastic bottle tops, empty pill packets, stamps and batteries at the Monday café. You can still carry on recycling these items every Monday.

Litter picking along Newport Road and, as you

can see, there was a lot to be collected!

We enjoyed two nature walks in and around and around the village, one with Wendy Harrison, listening to the night time songs of the birds and identifying a variety of wildflowers and insects; the other with Tony Martin, from Yorkshire Wildlife Trust, around

the Wetlands. This was extremely informative, even for those long-term village residents!

We held a Craft Night in the Village Hall, with the emphasis on recycling glass and tiles to make table decorations. Many thanks to all who supported us!

The week ended with a green-themed Tombola where all prizes were made from up-cycled and recycled items.

As you can see, a busy week where we feel we have played a small part in protecting our wonderful planet.

The competition for designing a Green Heart Display was won by Maggie Whitlock, in the adult category,

and Eliza McDonnell, in the Children's category.

Both received a brilliant bug hotel.

We also brought a netball hoop for people to have a go as we run a walking netball group on a Tuesday in South Cave.

### Future Events

Our first meeting back in September will be our AGM on the 4<sup>th</sup> September and a talk by Christine Snowden (Federation Chair) on ancestry.

On 2<sup>nd</sup> October there will be a Lindyhop demonstration by Julia Deighton - a chance for us all to get up for a dance.

On **31<sup>st</sup> October** we will be running our annual **Pumpkin Trail**. Please see the advert or email [editor@villagelink.info](mailto:editor@villagelink.info) to be entered onto the trail map and a chance of winning a prize.

**Advance notice** after consulting with Santa and his team, this year we will be having a children's party at the Village Hall on the 20<sup>th</sup> December. You will need to book – more details to follow.

The Great Big Green Week next year will be the 6<sup>th</sup> – 14<sup>th</sup> June when our theme will be scarecrows made from up-cycled materials

and we will be doing a trail map with prizes.

We attended the Village Gala on the 6<sup>th</sup> July where we had craft recycling activities for children, displayed one of our village soldiers and poppies and had display boards noting the wide variety of activities we do in the village.

# North Cave in Bloom

Once again North Cave in Bloom volunteers have been working hard planting colourful, summer bedding plants all around the village, which we purchase locally from Sand Lane Garden Centre. We now have 4 stone planters, 10 wooden planters, 5 under road signs planters and 6 wall baskets to look after.

We are very grateful to The Bingo Team who have kindly paid for a new wooden planter. This was made by our volunteers, planted with red geraniums and is sited near the Church Lane Road sign, as we had to remove the overgrown shrub from there.

The help from our local waterers is very much appreciated to maintain the plants, especially as we are experiencing very hot dry spells of weather more frequently. NCIB continue to help with the upkeep of the Millennium Walk but are no longer responsible for the wildflower area on Blossoms Lane. Hopefully we will continue to have a glorious summer and all our efforts will be worthwhile and help to brighten your days.

We do enjoy our work in keeping the village blooming and hope it gives you pleasure too. So, if you have any comments, ideas, advice or would like to join our group of volunteers to help us with planning or planting, please contact our secretary:

# William's Den - We've Won!

## William's Den Celebrates National Awards Success

We're absolutely over the moon to share that William's Den won two national awards in January at the NFAN (National Farm Attractions Network) Awards - including the big one: Small Farm Attraction of the Year!

Even better, we also took home the award for Best Food and Beverage, recognising all the care we put into our homemade pizzas, ice cream, and freshly prepared food.

It's been an incredible journey since we

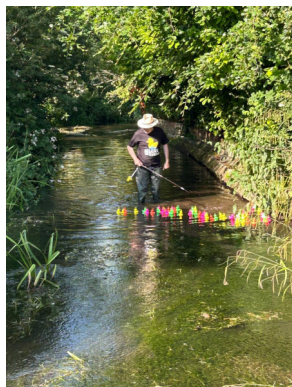

opened our doors in 2017, and this recognition means the world to us, especially as a small, family-run business rooted right here in the heart of North Cave.

Over the past year, we've welcomed record numbers of families, held our busiest summer festival yet, and completely sold out our Christmas event for the first time. But at the heart of it all, we're still the same Den - a place for fresh air, muddy knees, and unforgettable family fun.

If you haven't visited in a while - or at all - we'd love to see you! Whether it's popping in for a Den Burger, letting the kids run wild, or joining us for a seasonal event, there's something for everyone.

Thank you to our local community for your continued support!

Warm wishes,  
Team William

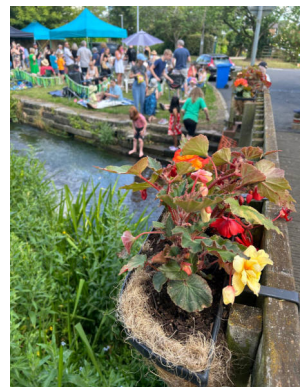

## Duck Race - June 2025

What more could you wish for on our village green - perfect weather, a duck race and members of the village community coming together and having a fantastic time.

All proceeds from the Duck Race went to North Cave Bell Ringers and the Playing Field Association, who received £200 each

Thank you to all who supported this traditional event.

### PGL and Paxwold

The final half term of this year has been extremely busy with our residential visit to PGL Newby Wiske for the children in Class 4 and our visit to Paxwold for the children in Reception, Year 1 and Year 2. Both visits were extremely successful and we are proud that once again, we have been able to offer a residential visit experience to **every child in every year group** in our school.

### Summer Fair

In July, the Friends of the School hosted our Summer Fair. This was well attended and featured a range of games, stalls and face painting. In addition to this, we were also visited by some alpacas and representatives of the emergency services. We are grateful to the Friends of the School who continue to work hard to raise valuable funds to support our school.

### Porridge!

At the end of the summer term, the children in Class 3 and Class 4 performed our summer production of 'Porridge'. The children's singing and acting was excellent and was thoroughly enjoyed by all that attended. It truly was a spectacular performance. Profits from ticket sales will be donated to Yorkshire Air Ambulance.

# EIGHT ACRE LAKE - MIRES LANE, NORTH CAVE

Wild swimming at Eight Acre Lake - a serene waterscape nestled just off the A63 near North Cave, East Yorkshire. The lake offers a captivating escape into open-water immersion. Once a gravel pit, the lake now stretches across eight acres and plunges to around 14 m at its deepest, making it a vibrant playground for both swimmers and divers.

Calm and accessible, the lake features gentle sloping entries and deep-water spots braced by rails—ideal for every level of brave soul.

A café, warm changing rooms, lockers, toilets, and onsite equipment rental craft a welcoming, community-rich vibe.

Beneath the surface, you'll glide past perch, trout, sturgeon, carp, and even golden rudd. Divers play among submerged relics—a Piper helicopter, boats, pipes, platforms—while swimmers hug the perimeter to avoid bubbles from diving tanks.

Those crisp, cool temperatures demand a neoprene embrace and/or a visibility-boosting buoy.

Booking is essential. You can swim in a normal swimsuit during the summer, but always using a visible tow float

Stepping off the gravel into fresh water, the first chill tingles your senses—sharp,

invigorating, alive. As you swim the bank's gentle arc, sunlight dances on the surface, filtered through clear visibility of up to 10 m beneath you. It is a silent ballet of divers, and fellow swimmers, all coexisting in this unexpected freshwater haven.

Back onshore, the café buzzes with warmth and camaraderie. Friendly chats about recent dives, swap wetsuit tips, sip steaming hot chocolate, and tuck into a bacon sandwich while musing on that midnight dive glow you just left behind.

## Final dip

Eight Acre Lake strikes a perfect balance: crisp Yorkshire fresh water and an inviting communal spirit. Whether you're a curious beginner or a seasoned open-water enthusiast, this eight-acre expanse offers a refreshing plunge and a warm welcome.

## WILDFLOWERS IN THE CITY CENTRE

As Yorkshire's leading supplier of wildflowers, we were asked to provide plants for a section of the Queen's Gardens project that used to be basic grassland. The 1280 flowers were planted in an area that used to be basic grassland, and included Foxgloves, Primroses, Bluebells, and Wood Aven's. It is hoped the new wildflowers will help the space become more natural. The team also featured on BBC Radio Humberside, Hull Live, and ITV local news, helping raise awareness of the important work our charity does.

## NGS OPEN GARDENS

On Wednesday 9<sup>th</sup> July, we opened our gardens, woodland walk and vegetable patch to the public for the National Garden Scheme charity. We welcomed a lot of new visitors to the nursery, and enjoyed excellent plant sales. demonstrations.

# Everthorpe Lane - Sustainable Farming

Dear Editor

I am aware that some people are curious to understand what is being 'grown' in the fields off Everthorpe Lane.

You may have seen in the media that the previous area-based payment to farmers, the Basic Payment Scheme (BPS), has been phased out. Effectively the money is now redirected to farmers who support environmentally sustainable practices on their land. This is known as the Sustainable Farming Incentive (SFI). There are lots of options within the scheme and agreements are short term.

While I have for the last 25 years had parts of our farm entered into Environmental schemes of one sort or another, we now have a larger area included. One block of land is off Everthorpe Lane. Under the new SFI scheme, the aim is to help wildlife like beetles, spiders, small mammals, birds, and beneficial insects thrive. The typical light land plants / flowers also get an opportunity to thrive and you may have noticed the poppies have certainly benefited!

So, what is the purpose of the SFI scheme? Essentially it pays farmers to maintain and improve soil health, provide better habitats for wildlife, reduce nutrient run off, reduce

watercourse pollution, and to manage hedgerow and grassland sustainably. Many farmers do this already and very successfully, but the scheme helps farmers take that extra step - should they choose to.

On the flip side, land entered into SFI is taken out of food production - at a time when global demand continues to rise. This may well lead to imports from other countries with lower food production standards, therefore undermining UK food security. SFI is also seen as only paying for new actions and not for ongoing good farming practice and management.

Every farming business will be working out the pros and cons and whether to join or not to join. And to what extent. This will depend on several factors such as land type, current fixed costs, tenancy agreements and whether it simply feels right or not. Farmers want to farm. They want to produce food, care for the land and run a viable business. The SFI can feel at odds with that instinct, especially when some options are framed as getting paid *not* to farm.

SFI is seen by many as a tool, not the future. The challenge is finding a balance between food production and looking after nature & the environment. But what is fundamentally important is that UK farmers are supported to do what they do best – produce high quality food.

We need to encourage consumers, retailers and governments to prioritise British grown food over imports and pay a fair price that supports the cost of production. In the meantime, supermarkets continue to exert significant control over the price of our food which means this does not always happen.

But hang on, I wonder if they want to buy my poppy seeds?... now that could be a happy ending.

## PATIO THANKS AND CELEBRATION SATURDAY 19<sup>th</sup> JULY

'Better late than never', as the old saying goes! For the past year, The Playing Fields Association have been meaning to organise a little event to say Thank You all those who

contributed in some way to the planning and creation of the new Patio at the Clubhouse.

So, on what turned out to be one of the first really rainy days this summer, NCPFA held a small event in the Clubhouse (*should have been on the Patio!*) to thank everyone for all their help - either financially or in-kind - in the creation of the Patio.

2023 Planning Stage

2024 Construction Stage - Colin Clark and Simon Taylor

2024 Summer Finished

2025 - 19th July - Rain stopped play for cricket

In his short 'Thank You' speech, John Oxley (Chair of NCPFA) said that the patio has become a great asset for the playing fields and wonderful focus for events being held on the field. Users of the Bar and spectators, particularly for cricket, are able to relax and enjoy the ambience of our delightful playing field.

It provided, sadly a short-lived, opportunity for Linzi's Cave Cafe to offer a facility to the wider community. Unfortunately, the logistics of this offer could not be made to work successfully with other demands on the Club facilities and Lindsay

decided that she needed to move on to pastures new. We wish her every success with her future business ventures.

### PLAY AREA

We continue the process of filling in forms to apply for various funding pots (!) and continue to appeal for support from the wider community and users of the Play Area. We are aware that we have visitors from other areas so we have a banner on the fence to remind everyone where they can make a donation - we have now raised in excess of £500 this way. Thank You for the donations!

Fund raising efforts continue with proceeds from the Gala Day, Duck Race, and Jill's Prize Bingo all being put towards the fund raising effort. Your continued support is very welcome and will hasten the day when we can give the young people of our community an improved place to play.

To make a donation just scan the QR code and follow the link to NCPFA Localgiving

fundraising page: <https://localgiving.org/north-cave-playing-field-association>

### DATES FOR YOUR DIARY:

**Bonfire Night - 5<sup>th</sup> November**, proceeds to the Play Area - details in the October-November edition.

**Gala Day** - 5<sup>th</sup> July 2026 12noon - 4pm with a Live Music Event on 4<sup>th</sup> July from 6pm - details to be confirmed nearer the time

# NORTH CAVE PLAYING FIELDS - GALA DAY - 6 JULY

A tiny selection of some of the offer from the Gala Day. There were representatives from a wide range of stall holders and local groups. Thank you to everyone who turned out, despite the weather, run their stall and welcome those

who visited. The proceeds from the day will go toward paying for a revitalised Play Area. We have a way to go yet but every little helps!

*Thank you*

# North Cave Coal Exporters Cricket Club

The new season is up and running and our three teams have all made good progress so far.

We're delighted to welcome new members to the club this season; we wished a warm welcome to new signings Ethan Steel, Thomas Dent, Dinesh Siriam, Sajal Goel, Naveen Mummudi, Gautham Nair and Rob Page - who many villagers will know.

The support of sponsors is vital to supporting our future ambitions, so we'd like to give special thanks to All Connected Plumbing and Voujon for their continued support as our playing kit and training kit sponsors respectively

What a difference 12 months makes .... the start of the 2024 season brought rain and more rain, with a delayed start and very little cricket in April and May. 2025 could not have started more differently - blue skies, flat wickets, dry squares and quick outfields!

Our First XI have had a really positive start to the 2025 campaign in the YPLN Division 1 Holderness, with 8 wins from 12 matches thus far. Key games coming up away to Hessle and at home to league leaders Hull Zingari will have a huge say on where the team ends up.

From a Second XI perspective Division 3 has also proven a new challenge, with two tough opening fixtures away at Hull Zingari and against Middleton & North Dalton at Church Street that saw the team struggle to chase big totals. June has been a hugely successful month, with four wins from four, against Skirlaugh (twice), South Cave and Eastrington. At the time of writing our seconds sit in second place in the league, with excellent prospects of promotion. Fingers crossed for the rest of the season!

Our Midweek team play on Tuesdays NCCE Midweek XI and have enjoyed a positive season at the time of writing they sit fourth in the division with the highlight being a victory against Norwood.

Meanwhile our under 13 junior side has done really well in the East Yorkshire Rhodes League, recording three wins so far, against

Eastrington, North Ferriby and Welton

## Excellent events

Thank you to all our members who have given their time to volunteer to support club activities so far this year. The pre-season grounds preparation has really paid off and the ground has looked (and played) superbly throughout the season).

The Friday junior training nights have been a huge success, with up to 60 youngsters developing their skills. The accompanying barbecue each week has been brilliant - thanks to everyone who has bought a burger or hotdog in support of club activities.

In June we held our first club quiz night - thank you to everyone who came along and special thanks to Andy Kingston for being our quiz master! The club will be donating £200 to the North Cave playing area fund from the proceeds of the event.

We have a number of other events coming up in the rest of 2025, if you haven't been able to help out in one of our events yet please support the club at one of these events if you can...

**Golf Day, 8th August** - Beverley Golf Club. Please contact Tom Collins on 07549225614 for more details.

**Under 9s Festival, 17th August, 10am** - Juniors from across East Yorkshire will be playing in small sided games at the Playing Fields. Please come down for a cuppa and breakfast butty to support them!

## Can you help us?

We're passionate about helping the club continue to achieve its ambitions, which you can read more about [here in the NCCE Development Plan](#). To do that, we'd really appreciate the support of anyone interested in giving some of their time to help.

We have lots of opportunities to help you maybe develop a new skill or try something different, whether that's coaching, playing, administration, finance, groundskeeping, communications, event management and lots more. If you are interesting in finding out more please contact Andy Swallow - [andyswallow17@gmail.com](mailto:andyswallow17@gmail.com)

## Newbald Live @ Newbald Village Hall

Newbald Live heads into autumn with more high quality live music

and comedy theatre at Newbald Village Hall.

All shows can be booked via our website -

[www.newbald.live](http://www.newbald.live)

**Saturday 13<sup>th</sup> Sept, Doors open 7.30:**

**Track Dogs**

Track Dogs are a band that really knows how to bring the good vibes. With a mix of folk, Americana, and a splash of Latin flair, their live shows are full of energy, great tunes and feel-good moments. Think soaring harmonies, foot-stomping rhythms, and bags of charm.

Described as “sheer musical joy” and “a band you have to see live to believe,” they’re guaranteed to get the room buzzing. It’ll be the perfect way to kick off the autumn – relaxed atmosphere, great music, and a night to remember. There are only a few tickets remaining at £19, so get yours soon!

**Weds 24<sup>th</sup> Sept, Doors open 7pm:**

**Badapple Theatre presents ‘Crumbs’**

‘Crumbs’ follows the life and times of our heroine, an ex-TV baking show host who has recently been “let-go” from a high profile TV show under dubious circumstances. Now trying to re-style herself within the fast-paced and cut-throat world of influencers and social media millionaires, we follow her hilarious slips

and trips in her live baking show as she tries to keep the lights- and the oven- on in the face of almost certain doom...

This is a hilarious one-person show from the pen of Kate Bramley (York Theatre Royal/ Badapple Theatre) so expect much comedy AND baking for the audience to taste at the end. Tickets £14.

**Saturday 4<sup>th</sup> October, Doors open 7.30:**

**The Dunwells**

Newbald Live favourites, The Dunwells are a renowned Leeds based duo, with millions of online streams and YouTube hits and songwriting and production collaborations with chart topping artists. This is their fifth visit to Newbald and all have sold out, so if you want superb musicianship, great songwriting alongside hilarious sibling rivalry, come along – tickets £16.

Remember, all ticket links are on our website, where you can also sign up to our email list, offering the chance to save booking fees on all tickets.

If you are new to this part of the country or have recently undergone a change of personal circumstance u3a can be a great way to get to know new people in an unpressured, social setting.

Caves u3a's aim is to provide interesting things for older people to do in their free time. Our recently formed Guitar group is proving very popular.

Caves u3a is starting a new group called **Caves Singers** in September. We'd like to invite people to join up. There are no auditions. If you love to sing then come along and give it a go. The group's leader, David Rowland, would love to hear from you now. You can contact him on 01482 668 474 or email him on

[dwr098@hotmail.com](mailto:dwr098@hotmail.com)

These are in addition to our regular monthly meetings, held at Cave Castle, where we have an interesting speaker, followed by tea or coffee. Caves u3a is a membership organisation for retired people that meets in

the daytime in South Cave. At a cost of only £15 per year you can join in all of our activities. To see our full range please check out our website

[caves.u3asite.uk](http://caves.u3asite.uk)

(or just search for Caves u3a) you will find the full range of activities that we offer.

To make contact you can send us a message to: [u3aHeatherTurner@gmail.com](mailto:u3aHeatherTurner@gmail.com)

If you prefer to contact us by phone, please call Heather on 01430 424835.

### Do you like to write?

Perhaps you'd like to write. They say that we all have one book in us. Have you tried producing your book yet? We have, amongst our members, a retired journalist who holds monthly sessions to help you to start writing your book, or to improve on something that you've already written. It can be a short story, an article or a poem.

To get in touch please email or call Heather
