## Our New Chair

We welcome Steven Tradewell as our new Chair to the PC. He says "I

*am delighted to have the opportunity to represent the residents of our Parish and work alongside our Clerk and Councillors for the good of our community. I am particularly keen to encourage our residents to get involved in helping the NCPC, thereby ensuring our Parish continues to be a wonderful and caring place to live. It is of the utmost importance that we listen and ensure all in our parish have a voice. I would encourage residents to attend our monthly meetings and email our clerk in advance with the issues that concern them."*

## War Memorial

The improvement works are all complete and looks stunning, a big thank you to Liz Blackledge who greatly assisted the PC. The PC would like to thank the WI for their beautiful Remembrance display this year along with Councillor North for organising the full village to be decorated with assistance from Cllr Tullock and Cllr Gibson-Matthews.

## Millennium Walk

We would like to hear your views regarding Millennium Walk, it is an ongoing project to provide a public safe space and preserve and protect the existing and future wildlife. Please see the questionnaire on Page 7, to fill in and give your comments.

## Community Speed-watch & Traffic

Dedicated volunteers are actively undertaking this scheme to assist in traffic calming the village. Do get in touch if you would like to join the team or scan the code below to register as a volunteer operator.

The page will open and at the side of the screen select "Register", a new page will open and select "Join existing". This will take you to a "Welcome" page, scroll down and select "HumberSide" from the drop down and then

press "Continue". From the Group menu, select "North Cave Parish Council", then complete the online registration.

The PC are working with North Cave Traffic Calming Group to initiate ways to become a "Traffic Calm Village" and the PC thank Mr Ken Embleton for his perseverance and vision with NCTC. Do attend the meeting in the Village Hall on 13<sup>th</sup> November to give your views.

## Mill Lane Footbridge

The footbridge is to be repaired from 10<sup>th</sup> November, so the bridge will be out of order for approximately 21 days. Please see news section on the PC website for further details.

# Everthorpe News

Everthorpe villagers, friends, family and others from surrounding villages celebrated the Everthorpe Community Orchard's first birthday with an Apple Day on a sunny afternoon on Sunday 5th October.

Everyone joined in with the apple processing - collecting, chopping, mashing and pressing the fruit to make an amazingly delicious apple juice and everyone went home with a bottle of juice and of course some apples and pears.

There were competitions too - Bill Hart won the

longest apple peel one, and keeping it in the family, Kate Hart won the apple pie competition, judged by Sue Hardwick - all the apple pies were eaten afterwards and were delicious, served with custard or cream and washed down with teas and coffees. There was also an apple hooking competition and an apple stacking one.

It was another successful and very enjoyable event.

Everthorpe would like to thank Jill Marwood and her team for organising another Bingo Event in North Cave Village Hall on Friday 17th October which raised a very generous donation for the village.

**Everyone is invited to the  
Everthorpe Community Orchard  
for  
Wassailing  
at  
2.00 p.m.  
on  
Sunday 18th January 2026**

Wassailing is an ancient Anglo Saxon celebration where you sing to the orchard trees to ensure a good harvest and also make a lot of noise to drive away evil spirits. Please bring a pan and wooden spoon with you so you can add to the din! Offerings of toast and cider are left both for the good spirits and for the robins. Robins are considered the guardian spirits of the orchard.

# North Cave Preschool

Last term we enjoyed celebrating Halloween by completing lots of spooky crafts and carving pumpkins and learning all

about each other!

As we approach the festive period, the children have been busy preparing their Christmas Crafts ready for the parents, we have been talking about the

changes in weather and the winter season that is almost here. We will be learning all about our

community, stranger danger and keeping safe on the roads. Moving into December, the children will be getting excited for

Christmas and we have some fun events planned such as an in house Christmas Party plus the annual putting up the Christmas tree and decorating preschool.

NOVEMBER EDITION

## Ancient Egyptians

In KS2, the children have been enjoying learning about the Egyptians in history. The children have thought about the process of mummification, hieroglyphics and Ancient Egyptian daily life. They also learnt facts about the River Nile, pharaohs and pyramids, religion and gods and Tutankhamun.

## Great Fire of London

Our EYFS and KS1 children have loved our topic work on the Great Fire of London. They have enjoyed learning about firefighting in the past and present. We read extracts from Samuel Pepys' diary which provided us with an invaluable eyewitness account of the Great Fire of London. We thought about where and how the fire started and how the fire spread.

## Our School Choir

Our School Choir meet each week with children from all our classes welcome to participate. Led by Mrs Grafton, the children have been learning a wonderful selection of harvest songs and we were delighted to perform some of these songs at the Drewtons' Harvest Supper.

# All Saints, North Cave Bell Ringers

On the 9<sup>th</sup> October we took twenty-six ringers, friends, villagers and financial partners down to John Taylors Bell Foundry in Loughborough to see our two new bells being cast. After four years of planning, we had finally got to the 'bricks and sticks' of our augmentation to eight bells. It is lovely to think that our two new bells had been cast in the very same foundry hall, at the historic Taylors Bell Foundry, 106 years and 8 days after the casting of our original six.

As I write, we are now waiting on our new additions to be collected from Loughborough and taken to Oxford, where they will be tuned. The work is due to start at the church around the second week of January 2026. The first phase will be to temporarily move our existing heaviest bell, so that the new sub-frame steelwork can be lifted the 50ft into the belfry. Then there will be a bit of time so that we can get the steelwork back-filled into the tower structure and the engineering pad stones fitted.

At the first visit from our bell hangers, Whites of Appleton, our new bells will be on the ground floor of the church, so our plan is to make a display of them, so that locals can see them, before they are hoisted up and hung - for at least another hundred years, or so.

The installation work means that we will not be ringing at All Saints for about five weeks. This also means that the church clock will be out of action for the same period of time, as the drive arms to the clock face have to be removed.

When I finally get confirmation of all the

important dates I shall put something on the Community Facebook page, just in case anyone would like to witness the new steelwork and bells being hoisted up through all of the tower floors. I was also wondering if this is something that the School would like to get involved with? So, if there is anyone who may be able to help set this up out there please let me know.

We would like to thank all who have made donations and supported this project so far, we are still a little bit short, so if anyone would like to donate, please do contact me.

On the ringing side of things, we have continued with our most important job, that of supporting the church for services, Remembrance, weddings, special occasions, concerts and funerals, when asked to do so.

In April we had our Spring Tour. This year we went down for the weekend, ringing at churches, around Lincoln. On the Saturday afternoon we had the twelve bells at Lincoln Cathedral all to ourselves. I reminded our ringers, before we started at the Cathedral, of the importance of where we were ringing - a national land mark with the surrounding streets and spaces full of tourists enjoying the beautiful weather that we were blessed with. I wasted my breath, as our ringing was absolutely stunning on the twelve bells.

Training has been a major part of our work this year, not just for our own development but that of other churches too. Jane and Marcia started with us, from scratch, this year and both are now well up to Sunday Service ringing standards. Through the arm of our school, The East Riding School of Bell Ringing, we have also been teaching new recruits from Kirk Ella, Ferriby, Holme on Spalding Moor and Bubwith.

Early October was the time for our annual 'fly away' ringing tour, but this time we sailed, to Holland, staying in Dordrecht for four nights and ringing at the new and marvellous ten bells at Grote Kerk and the eight bells at 't Klockhuys. I have to say that the hospitality we received from the local ringers was second to none. We also managed to ring three quarter-

# All Saints, North Cave Bell Ringers

peals while we were there, with one of them being a nice landmark for both Carolyn and myself, as it has meant that we have both rung a quarter-peal at every tower in mainland Europe that supports the English style of full circle change ringing.

I would like to take this opportunity to again thank everyone for their support and the lovely comments I receive from people, while just being around the village. It is very special to

us, thank you. Of course, we would also like to say thank you to Vicar Barry, the church wardens and the church PCC for their continued support.

## IN PRAISE OF VOLUNTEERS

It may surprise you, dear reader, to learn that this magazine doesn't magically appear on your doormat 6 times a year by accident. Our church bells don't somehow ring themselves on a Sunday morning. The planters don't weed and plant themselves up every spring. Gravel doesn't fall from the sky onto the paths on the Millennium Walk, and the wonderful poppies round the War Memorial didn't knit themselves!!!!

So this Christmas, let's raise a glass to our wonderful volunteers – those who edit and deliver the Village Link, the bell-ringers, North Cave in Bloom, the WI, Mires Beck volunteers, The Parish Council, and those who look after Everthorpe Community Orchard, the Playing Fields and Play Area, and the Millennium Walk pathways. If I've forgotten anyone – I humbly apologise, and leave you with this question:

### WHY DON'T VOLUNTEERS GET PAID?

# West Wolds Slow the Flow

## Littlemoor Drain / Finkle St

Little Moor Drain runs from the east of Station Road, under the School and through The Croft. The culvert at the top of Finkle Street had become blocked, adding to flooding of Finkle Street, Westgate and Blanshards Lane. Residents of Finkle Street will be aware that the ERYC Flood Risk team completed their work, in the last month or so, to provide a better link, from The Croft, to a relief drain originally installed by Yorkshire Water after the 2007 floods. Hopefully, the inconvenience of the works will be worthwhile and should result in less flooding in this area.

## Everthorpe Lane

We spoke to ERYC Flood Risk earlier this year about carrying out similar works on Everthorpe Lane in North Cave, to that which they did to the east of Everthorpe village in the spring. The aim would be to stop the road being a pathway for floodwater from the fields, like it was in 2019-20, by digging better ditches to each side of the road, whilst also incorporating leaky barriers, to help slow the flow. Watch this space!

## Fishponds and Drewton Beck

WWSTF has been discussing measures with the Carver estate, and is proposing to carry out more Natural Flood Management (NFM) works upstream of North Cave, along Drewton Beck. These should complement further NFM works being carried out by the ERYC Flood Risk team on the ERYC Estate which also borders the Beck. As Drewton Beck carries 25% of the river water that enters North Cave,

[www.WestWoldsSlowTheFlow.org.uk](http://www.WestWoldsSlowTheFlow.org.uk)

[info@westwoldsslowtheflow.org.uk](mailto:info@westwoldsslowtheflow.org.uk)

this can only help to reduce flooding peaks.

Meanwhile, we have also agreed to carry out habitat restoration at the Fishponds, a designated Local Wildlife Site west of Blossoms Lane and just north of the Beck. This will involve restoring open water to the centre of the fishponds. They are designated for having nutrient-rich standing water surrounded by semi-natural neutral grassland, but have become infilled over many years.

## Ellerker

Covering all the chalk streams along the western edge of the Wolds, we are also working with a landowner at Woodale, above Ellerker, to incorporate NFM features into his exciting rewilding site.

## Watery Plump, South Cave

Following discussions with WWSTF, in recent years, the ERYC Flood Risk Team has created substantial NFM measures at 'Watery Plump' another Local Wildlife Site, at the back of West End, South Cave. This site lies along Ferry Beck, which is not a chalk stream, but is 'winterbourne', which means that it flows during wetter winter weather. It has flooded West End in the past

The works include inlets from ferry beck into the wildlife site, with new winding channels and a pond being dug. These are called 'offline storage' and will allow rising beck water to flood into the site, thus managing the water levels and reducing the likelihood of flooding at West End. They also increase the range of wetland habitats and enhance biodiversity. Great job by ERYC Flood Risk Team!

# WAR MEMORIAL - REFRESHED

You probably noticed that the War Memorial was a hive of activity at the end of October. This was the end result of a lot of time and effort on the part of the Parish Council, to decide the best approach for the long-term care and maintenance of the Memorial, and the health and safety issues of the old crazy-paving surround.

Having discussed a range of options, the final decision was to remove the existing crazy paving, which had seriously deteriorated in recent years. It was replaced with Flexistone, which is a porous, flexible resin-bound stone surface, that allows for movement of tree roots without cracking.

As part of the project, it was agreed that, working on a top-down principle, it was time to clean the Memorial before any ground work was carried out. The cleaning highlighted the fact that the worst area of staining was around the bottom layer of the base, where it was directly in contact with the old stone surface. During heavy rainfall, water and dirt used to splash back up against the sides of the Memorial. This created the perfect damp conditions for algae and lichen to take hold and spread. When cleaning, it was not possible to remove all the staining from these growths without damaging the Grade 2 Listed Monument. However, the new surface, being porous, allows water to seep directly through it and limits any splash back. This should reduce future algal growth and help with the long-term care of the Memorial.

Before doing any work, the Parish Council consulted East Riding Heritage Officers and the War Memorial Trust. East Riding, as the local heritage custodians, had no objection.

The following photos show the changes from March 2008 to November 2025. In 2008 the Parish Council removed the remains of the old concrete block seats, replaced the steps with stone and added the cast-iron and hardwood seats. In 2016 the Memorial was cleaned.

As part of the clean up this year, the slats of the seats were removed, thoroughly cleaned, refreshed, and replaced.

March 2008 - pre-removal of old seats and steps

May 2008 - new stone steps and seats

November 2025 - Remembrance - Memorial and seats cleaned with new surface and WI poppies

# NEWS FROM MIRES BECK NURSERY

## Season's Greetings from Mires Beck Nursery

As the year draws to a close, we'd like to thank everyone who's supported Mires Beck Nursery throughout 2025, our plant customers, families, volunteers, and friends, who make this place so special.

Your support enables us to continue providing meaningful opportunities for adults with learning and physical disabilities. Every perennial purchased, every tree ordered, and every donation helps our amazing service users to grow in confidence, skills, and independence.

## It's Tree Season at Mires Beck

Right now, the nursery is in full "tree mode," with our teams delivering close to half a million trees this year.

If you're planning a planting project this winter or next spring, we'd love you to consider sourcing your trees and plants from us. Every order directly supports our charity and the people we care for.

## 12 Days of Christmas at the Nursery

This December, our service users will be celebrating with our very own "12 Days of Christmas" activities!

There'll be carol singing, pottery classes, a festive panto by The Cave Players, and even a private Mires Beck Christmas screening at

Service User Joe dressed as Santa Claus

Parkway Cinema in Beverley.

A huge thank you to everyone helping make our Christmas celebrations extra special this year.

## A Taste of What's to Come

We're thrilled to announce the upcoming launch of The Mires Beck Kitchen, officially opening on Monday, 12th January 2026!

Led by our wonderful team, Carl, Jo, and four service users each day, the kitchen will serve fresh, home-cooked lunches to staff, volunteers, and service users.

More than just a place to eat, it will offer real-world experience in food preparation, teamwork, and hospitality to our service users.

In the future, we aim to host special community events and may once again open to the public as the service grows.

## Visiting Us Over Winter

We can't wait to welcome you back to the nursery in spring, when the bulbs will be blooming and the days growing lighter. Our full retail area will reopen with our wonderful retail team ready to help you find the perfect plants for your garden.

In the meantime, we remain open throughout winter with reduced hours and a smaller selection of plants on display, and we'd be happy to help you with any project or planting you have planned over the winter and into the start of next year.

Do stop by if you're passing, we'd love to see you!

## Thank You

From everyone at Mires Beck Nursery, our service users, staff, and volunteers, we wish you a Merry Christmas and a Happy New Year.

Until then, follow us on social media for regular updates, behind-the-scenes stories, and glimpses of life at the nursery through the winter months.

As we reported in the last edition, and as can be seen if you visit, the Play Area is fast reaching its use-by date. The much-loved Zip-Line doesn't hold much weight these days and various items have had to be removed, or are close to needing to be removed.

The Playing Field Committee sub-group has been working hard to fill in application forms for different funding pots in an attempt to raise enough before the two main suppliers of equipment (Kompan and Playdale) are forced to put their prices up. We have, also, written to local businesses but, to date, have not heard back.

## Price Rises and Funding

If we could confirm more funding by the start of December, the play equipment suppliers had said that they would be able to hold their prices for us. Unfortunately, we are not able to do that. Sadly, we were unsuccessful in a recent funding bid and narrowly missed the submission date for another large funding bid, due to the lack of any substantial third party company commitment. Now, we have to wait until January before we can start that large fund application process again. Also, with the threatened price increase, we are going to have to wait to see how much more we will need to raise. At the time of writing, we don't

know by how much. It is all a bit disappointing but we will soldier on.

We are, however, very grateful for all the support that has already been shown and the funding that we have received, particularly on the LocalGiving site and as a result of support for the various events organised throughout the year. We were pleased to have just received a £320 donation from the recent Harvest Festival event - held, for the first time, at the Club.

## Local Support

As we have told you before, funding bodies increasingly ask that we show that we have other sources of funding to cover at least 10% of what they are giving to us. Most importantly, we need to show that we have a strong level of community support. We have been to talk to Mr Winks, Head of North Cave Primary School, about how the School can help us. We will be working with him and the children in the coming weeks. We have also been in conversation with East Riding County Council, through Cllr Victoria Aitken. We hope that the Parish Council might be able to assist with future funding possibilities.

## LocalGiving

One of the best ways to show your support is

# North Cave Sports and Social Club

to make a donation to the LocalGiving site. We would like to thank all the people who have already done this - especially those who have decided to make a monthly contribution. The pot is slowly growing but we know that this is not the only way to raise funds. We will chase down every opportunity that we come across.

## Can you help?

Another way to show support is for people to volunteer to help us with the fund raising. This effort is on behalf of our current and future children. Is there anyone out there who would like to help and join a group, primarily to look at how to raise funds for the play area?

Our dream is to have the play area in place for next summer holidays - if not sooner! We can't do this by ourselves - we need some fresh people to get involved. When we get to it, we have the project management covered. In the meantime, if you can spare the time to help with fund-raising and publicity etc, we would love to hear from you. Email: [editor@villagelink.info](mailto:editor@villagelink.info) to offer your help.

To make a donation scan the QR code (on the previous page) and follow the link to NCPFA Localgiving fundraising page:

# North Cave Coal Exporters Cricket Club

2026 both our Saturday senior teams will be playing at a higher level, the firsts promoted to the YPLN Championship and the seconds appearing in the YPLN Second Division.

The evening was a chance to reflect on some fantastic team and individual performances, but a huge step forward for the club was the first ever Juniors Presentation Evening, in which some of our 60+ junior members were recognised for their progress in 2025.

Especially poignant was the presentation of a special award established this year in memory of Sophie Goode, a young Coalies cricketer who tragically passed away in February this year. This year's award was given to Olivia Giermanska in recognition of her dedication to improving her game in 2025. Olivia also received a £50 bursary to support her development. Thank you to Keith and Linda for their support with the evening at the North Cave Social Club, and for everything they have done to help us throughout the season.

Another huge thank you was made to Club Chair Andy Swallow, who has chosen to stand down as Chair, Second XI Captain and NCCE Committee Member.

Incoming Chair Henry Green said: "NCCE CC wouldn't be where it is today without Andy's tireless commitment, energy and passion for the club. Though he is stepping down from administrative duties we're

delighted that he will continue to be available for Second XI fixtures, and we look forward to seeing him at Church Street for many years to come."

## Looking to the future

Our AGM on 3rd November saw the 2025/26 committee members agreed, reflections on the season's successes, and discussions around a host of issues that will help the club move forwards, including the positive working relationship with the North Cave football teams, ideas to improve facilities, the potential for developing women's cricket, keeping the momentum going on our junior programme and lots more.

You can read more about the club's future ambitions in the NCCE 2025-26 Development Plan, which can be found on our website:

Are you new to this area and would like to meet people?

Perhaps you might like to rekindle an old hobby or interest or learn something new?

Or simply socialise more and make new friends?

## Caves u3a can offer you

- **20 interest groups** covering various topics - Art, Walking, Craft, Bird-watching, Guitar playing, Local History, Scrabble/board games, Singing and Writing for Fun, to name just a few. New groups form when there is a demand.
- **A monthly meeting** for all members held at Cave Castle with an interesting speaker and time to chat with other members over tea, coffee and biscuits
- **Social events** - an Afternoon Tea, a Christmas lunch, outings and coffee mornings
- **Access to online learning sessions** provided by the national u3a organisation on a

huge range of topics such as science, technology, religious faiths, music, creative writing, yoga, poetry and history.

U3a is a membership organisation for those no longer in full time employment. Meetings are usually held during the day in various local venues.

Our membership covers North and South Cave, Brough, Ellerker, Elloughton and many of the villages in the surrounding area.

There is an annual subscription of £15.

Check out our website

# Newbald Live @ Newbald Village Hall

As we head towards the end of another successful year, supporters of Newbald Live can look forward to another brilliant line

up of live music in early 2026. Tickets are on sale for all the shows listed below. More complete details can be seen on our website - [www.newbald.live](http://www.newbald.live), where you can also join our mailing list to save money on all tickets.

## **Saturday 10<sup>th</sup> Jan, Doors open 7.30: Danny Bradley (support: Tony Beacock)**

Danny is a stunning young guitarist with a mesmerising style of playing as well as being a great songwriter across a range of styles: Blues, folk, Americana and more. With an opening set from local country artist, Tony Beacock, this will be a great evening! Tickets £15.

## **Saturday 31<sup>st</sup> January, Doors open 7.30: Kim Richey**

Kim Richey is a true Nashville legend! She has written songs with and for many of the biggest

names in the business and has toured extensively across North America and Europe. Kim played here two years ago and went down a storm... get your tickets now for the return visit. Tickets: £17

## **Saturday 21<sup>st</sup> February, Doors open 7.30: Red Sky July (support: Jackson D)**

Red Sky July are a trio with a great pedigree: with a background in bands such as Texas and Alisha's Attic, we are delighted to have them making their Newbald debut. With support from much loved local performer, Jackson D, this is another one not to be missed! Tickets: £17.50.

All tickets can be bought via our website
