**PUBLIC MEETING:
BIODIVERSITY IN THE PARISH OF NORTH CAVE
at NORTH CAVE VILLAGE HALL
7pm on WEDNESDAY 7th OCTOBER 2026**

Presentations (7-8pm):

Bill Blackledge (*NCPC and West Wolds Slow the Flow*) will provide an introduction and update on Biodiversity Action by the Parish Council.

Matt Millington (*Hull and East Yorkshire Local Nature Partnership*) will introduce the Local Nature Recovery Strategy and what it means at Parish level.

Andy Steele (*Catchment Partnership Officer, Yorkshire Wildlife Trust*) will describe the support on offer for resident groups/communities/Parish Councils via the fledgling 'PaCT for Nature' (Parishes and

Communities Together for Nature).

Helen Kitson & Karyn Murby (*Molescroft Wildlife Group and Hull and East Yorkshire Biodiversity Action Group*)

What does a successful community effort look like?

Followed by (8-9pm):

Breakout groups of attendees supported by speakers. Seeking your ideas about the opportunities that exist to enhance biodiversity in the Parish. The groups will then summarise their ideas for the meeting.

Conclusion and next steps.

Everthorpe Village:

The High Road and Low Road works should be complete

when this is published, which has improved the village already. Please do drive through carefully and watch out for vulnerable road users.

By-Election

It was interesting to have a by-election in the village, and we give a warm welcome to our new Councillor Blackledge to the PC. Every 4 years there is a parish council election, and the next one is due 2027. *(See Editors Note)*

Community Speed Watch & Traffic

During August, North Cave's dedicated Community Speed Watch (CSW) volunteers continued their regular sessions across the parish, helping to raise awareness of speeding and encourage drivers to comply with the speed limits.

Six CSW sessions were conducted during the reporting period, with the team of volunteers supported by Parish Councillors and with the continued support of PC Ollie Turner and PCSO Liz Johnson.

Across the six sessions, **1,212 vehicles were monitored.**

Sessions Conducted

- **29 July – CES0325:** 43–45 Westgate, 30mph – **170 vehicles**
- **3 August – CES0314:** Wolds Hill / 43–45 Westgate, 30mph – **186 vehicles**
- **5 August – CES0317:** Newport Road, B1230, 40mph – **430 vehicles**
- **13 August – CES0324:** Westgate (Milestone Farm), 30mph – **186 vehicles**
- **14 August – CES0315:** Station Road, 30mph – **71 vehicles**
- **18 August – CES0325:** 43–45 Westgate, 30mph – **169 vehicles**

Of the vehicles recorded, **three were reported for exceeding the 30mph speed limit, travelling between 35 and 39mph.**

Unfortunately, **two incidents involving abusive language towards CSW volunteers were also recorded.**

It is important to clarify that CSW volunteers are responsible for observing and recording vehicles but **are not responsible for sending warning letters to offending drivers.** This is a Police responsibility.

When information is submitted through the CSW system, the Police process the details and, where appropriate, issue advisory warning letters. Volunteers do not have access to the identity or address of the driver.

The process is clearly divided:

- **CSW Volunteers:** Record the vehicle's speed, colour, make and registration number and submit the information through the CSW system.
- **The Police:** Check the registration through the Police National Computer (PNC) to identify the registered keeper and obtain the appropriate address for any correspondence.

Positive News for Community Speed Watch

We also have some very positive news regarding the future of Community Speed Watch across the Humberside Police area.

The Humberside Police Digital Innovation Team has already started work on developing a dedicated CSW system specifically for our area. Meetings have taken place with the team and development is now underway.

The new system will be designed around the needs of Community Speed Watch volunteers, making it easier to use and more focused on the work that CSW teams actually carry out. Importantly, the system will also have the potential to be developed further, allowing additional features to be introduced as the needs of CSW groups become clearer.

This is a very positive development and demonstrates that Humberside Police recognise the important role Community Speed Watch plays in helping to keep our communities and roads safer.

To our knowledge, Humberside Police is currently the only Police Force in the country developing a **purpose-built CSW system that members of the public can access and use.**

The new system will also provide benefits to the Force itself. Rather than subscribing to a generic, one-size-fits-all system, Humberside Police will have a system designed specifically for its CSW programme, which can be adapted and enhanced as required.

Most importantly, it enables the many dedicated CSW volunteers across our communities to continue providing hundreds of extra pairs of eyes on our roads, helping to improve road safety and driver awareness.

What Happens Next?

The existing CSW online system will cease from 1

September. However, this does **not** mean that Community Speed Watch is stopping.

While the new system is being developed, CSW teams will continue to carry out sessions using **manual record sheets**. Once the new online system is ready, further information will be provided and volunteers will be kept informed of the progress.

This is excellent news for all the volunteer CSW groups across our communities who give up their time to monitor traffic and promote safer driving within their parishes.

Finally, a huge **thank you to all our CSW volunteers** for your continued commitment and for giving up your time to help make North Cave's roads safer. Your contribution is genuinely appreciated.

View our new CSW & traffic page on the website: www.northcavepc.gov.uk/council-services/traffic

Recent Planning Applications

26/01389/PLF: Partial conversion of existing integral garage to additional living accommodation with associated alterations at Holme Wold High Road Everthorpe.

26/01195/PLF: Erection of a one and a half storey extension to side and two storey and single storey extension to rear, construction of pitched roof over existing flat roof and erection of a porch, bay window and application of render to front at 46 Nordham North Cave. Decision: Granted; subject to 3 conditions.

26/01787/CLE: Certificate of Lawfulness for the existing use of land for the sale, storage and manufacture/processing of aggregates and soils (including manufacture) from waste materials at Rewcastles Quarry Crosslands Lane North Cave. Decision: to note objection.

26/01685/PLB: Listed Building Consent for the painting of brickwork to stable block (Retrospective Application) at Hotham Hall Main Street Hotham.

26/02182/TCA: NORTH CAVE CONSERVATION AREA - Crown lift 1 no. Maple tree as illustrated due to allow for the construction of a sun room at 5 Beckside Close North Cave

26/01597/TCA: NORTH CAVE

CONSERVATION AREA - Fell 1 no. Conifer tree due to having outgrown its surroundings and is close to the perimeter wall at 5 Beckside Close North Cave.

26/01536/TCA: NORTH CAVE CONSERVATION AREA - Fell 1 no. Sycamore tree due to having a split trunk, affecting light, evidence of poor health, and is in close proximity to the boundary wall at 71 Westgate North Cave.

26/01307/TCA: NORTH CAVE CONSERVATION AREA - Remove 4 no. Leylandii Cypress trees (T1, T2, T3 & T4) as they have been planted too close together which has hampered healthy growth, have been poorly maintained by previous owners and are overhanging neighbouring properties, restricting light into their gardens at 86 Westgate, North Cave.

Meet Humberside Police: 20th September Drop in Surgery at North Cave Village Hall 2-2.30pm (during Knit & Natter).

Upcoming PC meeting 7pm in the village hall: 20th October

Editors Note:

Every four years, all nine Parish Councillors are required to stand down and, if they wish to continue on the Parish Council, they can re-apply to ERYC. At the same time, other qualifying parishioners can put their names forward to ERYC. If the total number applying to ERYC is nine or less, there will be no election. If more than nine, a formal election will be triggered. This process will take place in May 2027. Nominations for the May elections will take place at the end of March (the exact opening and closing date of the nominations will be confirmed next year).

Wallingfen Free Church

Hello everyone there seems to be some confusion about who has access to our events and future services.

As you know we are very busy raising funds to purchase the former Wallingfen Methodist Church and buildings, formerly used for social events and for children's and youth services. Our intention, if successful in our bid to purchase the property, is to reopen the church as a free church and, also, to use the buildings as a community service centre. Anyone can access our services regardless of where they live and all are welcome at any of our fund raising events.

We currently have a community lunch group which meets at Newport Village Hall on the fourth Wednesday of each month we have members from Howden, Newport, North and South Cave, and we have two spare places if anyone would like to join us.

Our next big fund raising event will be on October 30th when we welcome David Harper

from BBC Bargain Hunt at Howden Methodist Church - early booking advisable.

Thank you all for your continuing support.

Mareth Martin

North Cave Preschool

With the summer holidays now a distant memory, the new school year has begun!

We are back, recharged and raring to go for a fun-filled run up to Christmas!

The children have settled back in, some new friends have joined us and we have been learning all about the farm, Harvest, Autumn and, coming up next, Halloween!

Whilst you may know us as North Cave Preschool, we actually take children from 9 months of age.

We have a dedicated baby room space inside and outside with a trained member of staff. They follow their own schedule and have topics such as: All about Me, Autumn and learning all about pumpkins; fully catered to each individual child and to meet their needs.

We operate an open-door policy and welcome prospective parents in, to view our setting; we have spaces for an immediate start. We open term time only, Monday to Friday 8am-5pm. Call in and see us for more information or check out our social media pages - we're on Instagram & Facebook.

We are a committee-run setting and currently looking for new members to come join our friendly team of staff and current/past parents.

We meet once a month/term to discuss upcoming events and the general running of the setting.

If you are able to spare a few hours to support us, please come along and see what we are all about. Our next meeting will be in November or December. More information on our Facebook page!

As a charity, we hold various events throughout the year alongside our amazing committee!

This time of year is very exciting, firstly we have our AUTUMN CRAFT FAYRE coming up very soon on Sunday 18th

October 10am-2pm at NC Village Hall. Please come along and support us and members of our local community, who are holding stalls! Free entry with refreshments available for donations. Rainbow Tree Pottery will be in attendance with Halloween & Christmas decorations to paint (for a small fee). There will be some activities for children and toys out to play with.

We also have a HALLOWEEN EVENT to look forward to - more details will be shared soon.

Moving towards Christmas we have a raffle which had some amazing prizes last year including a wonderful Hamper, vouchers for Zoom Cafe, Ings Park Alpacas, Dinostar, Jump Inc, The Deep and much more.

We are always looking for prizes towards this raffle no matter how big or small, please contact us if you have any donations - thank you in advance!

September UPDATE

A New School Year!

It has been great to welcome the children back to school this September. All of the children have settled well and have enjoyed spending time with their friends. This term promises to be another busy term with performances to parents, church services, visits and visitors in order to enliven our curriculum. All of our events will continue to be shared through our weekly newsletter that is available on our website.

Grossbusters!

In July, the children in Key Stage Two enjoyed performing their summer production of Grossbusters to family and friends. The children performed brilliantly, combining great acting, singing and dancing. Well done to all that took part and thank you to everyone who supported the children with this.

Reception New Starters – September 2027!

Later this term, we will be holding an open event for potential new starters for September 2027. If you are interested in looking around our school, we would love to show you around and answer any questions that you may have. Please contact the school office for more details.

For more information about our school:

www.northcave-school.co.uk

01430 422551

Countryside Concerns

Well, I might as well moan along with everyone else about the prolonged heat and lack of rain; but my moan is mainly about the plight of our wildlife. They are suffering too, with the lack of natural food/water. I can't remember it being this hot and dry for this long before, and 1976 was bad enough – I remember that year very well. Our eastern side of the country hasn't seen any rain to speak of since April and, while Howden, Market Weighton and Walkington have had a heavy shower, Gilberdyke seems to have a dome over it. I have six water butts and each one is empty and no matter how much grey water, to save my raspberry canes and runner beans, nothing seems to have the same effect as the magic of rain! I expect when it does rain; it won't know when to stop!

For the past 3 years, myself and six

others have collected newspapers for the Hedgehog lady in Hessle – usually from November through to spring. This year, we were asked to keep on saving them as now the Holderness Branch has been helping them out with the high number of hedgehogs suffering with strimmer injuries – one shelter received 25 hogs in one day and now they are getting more coming in suffering with dehydration and hunger – it's amazing how much water a hedgehog can drink! Also, our garden birds have struggled to raise a brood, with maybe just one survivor rather than the usual two or three. Having said that, Swallows, Swifts and Martins have done well, especially near the canal in Newport. Us ladies of a certain age have found it hard going too and, like the birds, are hiding away from the midday heat – we are Northerners for goodness sake and appreciate a temperature of 18-20°C, not these 30 plus degrees. It's put the kibosh on our Tuesday walks, but we still meet up each week for a lite-bite somewhere local – it's like a tonic for us all. To hear the subjects we cover – well – the country would be running like clockwork if we were in charge! We'd soon have the prisons emptied – hang the murderers, castrate the rapists with blunt scissors and put a Health Centre receptionist in charge of vetting the boat people – job done! When do we start? (Only joking)

Cheerio

AWARD WINNING FOOD!

Delicious fresh, local food

WILLIAM'S DEN PIZZERIA

Anyone can dine in our Pizzeria – no playing or kids required!

Scan the QR code to find out more & book a table!

WILLIAM'S DEN

Apologies for the error:

This is a photograph of a young Barn Owl, not a Tawny as previously stated on the front cover of the August-September edition.

Autumn Has Arrived at Mires Beck

After months of sunshine and what felt like endless watering, it's lovely to finally see some rain and feel the change of season at Mires Beck.

This summer has been a great reminder to think about plants that can cope with hotter, drier weather. If your borders struggled in the heat, autumn is the perfect time to add some drought-tolerant plants, ready for next year. Lavender, sedum and rosemary are all great choices.

And don't put the gardening gloves away just yet! Autumn is one of the best times to plant. The soil is still warm, while the cooler and wetter weather help new plants establish their roots before winter.

Plant Now for Spring Colour

Our autumn bulbs are here and available for **£5.99 per bag**.

We've got a lovely selection of **tulips, narcissi, alliums, crocus, camassia and more**, perfect for planting in borders, beds and pots.

Planting bulbs now is an easy way to give your garden a lovely burst of colour when spring arrives!

Preparing for Winter

As autumn moves into winter, things start to look a little different around Mires Beck.

From October through to March, we're open **Monday to Friday, 10am–4pm**. Our retail displays are smaller during this time as much of our stock is carefully overwintered and prepared for next spring.

Although things may look quieter in the retail area, there's still plenty happening behind the scenes! Our teams are busy preparing plants

for winter and turning their attention to our busy tree season.

Christmas Is Coming!

Preparations are already underway for our **Christmas Fair on Saturday 28th November**.

We'll be sharing more details about what's happening at the fair as we get closer to the day, so keep an eye on our social media.

If you're interested in having a stall at our Christmas Fair, would like to donate a raffle prize or simply want to support the event, please get in touch – we'd love to hear from you!

Every donation and offer of support helps make our Christmas Fair a success and supports the opportunities we provide for our service users throughout the year.

To get in touch, call **01430 421543** or email **info@miresbeck.co.uk**.

Thank You for Supporting Mires Beck

Every plant purchased from Mires Beck helps support the opportunities we provide for adults with learning and physical disabilities.

So whether you're planting bulbs for spring, preparing your garden for winter or simply popping in for a visit, **thank you for helping us grow!**

Mires Beck Nursery, North Cave, HU15 2NR

01430 421543 | info@miresbeck.co.uk

North Cave WI is looking forward to an exciting autumn programme, with plenty happening over the coming months.

Our September meeting will focus on preparing for our poppy display at the War Memorial, as we come together to create a special tribute to remember those who have served and sacrificed.

On 1st October, we are delighted to welcome Hattie Linfoot, who will be talking to us about native flowers and foliage. We're looking forward to an interesting and inspiring evening celebrating the natural beauty around us.

As autumn turns towards winter, we will once again be getting into the festive spirit and organising our free children's Christmas party in December. It's always a lovely event and something we are pleased to be able to offer to the children of our village. More details in the next edition.

There's lots to look forward to at North Cave

WI this autumn – friendship, creativity, community and a little bit of festive magic!

Email entries for the map to the Editor by 30th October.

At the wedding of Louise Butler and Stuart Turner in All Saints Church on Saturday 12th September, the bride and her father travelled from Hotham Hall to the church by coach and horses. After the ceremony, the reception was also held at the Hall.

Church Street, North Cave

Everthorpe

A very successful and enjoyable "Memories of Everthorpe" event took place on Sunday 5th June when former villagers and those with past connections to Everthorpe were invited to share their memories and photographs of the village and their lives in it, with a view to some of these being incorporated into a "Memories of a Hamlet" event, to take place at a future date. The event turned into a reunion party as people, who hadn't seen each other for some considerable time, celebrated seeing each other again and catching up with each others' news.

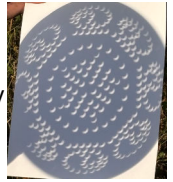

In warm sunshine on Sunday 2nd July we had a delicious brunch in the Community Orchard with sausages in bread cakes, pancakes, blueberries, bacon and maple syrup and the Everthorpe potato growing competition was completed with a weigh in. The winning haul of Kestrel potatoes (all entries were grown from

three seed potatoes) weighed thirteen pounds and four and a half ounces (6.02 kilograms). Congratulations to grower Margaret Nicholson. A group of villagers gathered in the Orchard to

watch the partial eclipse of the sun on Wednesday evening, 12th August. Viewing, via a colander, seemed to work really well. Rumour had it that John Lewis had run out of colanders owing to great demand!

The lower half of the Orchard has been left as a wildflower meadow, with paths mown through, and some of the newly planted trees are already fruiting - including the Victoria and Merryweather plums and the Beth pear.

By the time you read this in the Village Link all the drainage and road works should be finished in the village and traffic circulation will be back to normal.

Apple Day and Juice Pressing

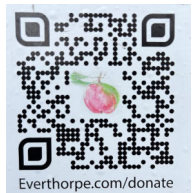

will take place on
Sunday 4th October
from 13.00 to 16.00
in the

**Everthorpe Community Orchard,
HU15 2AD**

This will be an afternoon of picking fruit, which you can take home or help press to make our very own apple juice. The juice can then be taken home fresh or we can pasteurise it for you during the afternoon. Tea and coffee and fruit-related bakes will also be available. There will be a fruit crumble competition - open to all. The results will be sampled later in the afternoon with the other bakes and with cream or custard.

All proceeds go toward maintaining the Community Orchard and supporting future Everthorpe projects.

Free entry and no booking required but cash donations are always welcome, or use our QR code which will also be displayed on the day.

If you would like to buy apple juice to take home, please bring your own clean containers. Bottles can be purchased for £1.00.

Contact hello@everthorpe.com with any queries.

North Cave Sports and Social Club

The Club and Bar is open as follows: Saturday and Sunday from 12 noon
Bingo on Sunday from 7pm

Membership: Joyce Smith Tel: 01430 423541 / Mb 07840 165114

AGMs - Monday 19th October - 7pm

Anyone is welcome to attend the AGMs of the Playing Field Association and the Sports and Social Club. This is a good opportunity to learn a little more about how the Playing Fields and Club are looked after and, if you are interested, an opportunity to volunteer to get involved. We look forward to welcoming you to the AGM in the Club.

The majority of people involved at the Club and on the Playing Fields are volunteers. Without their willing contribution, the village would not benefit from the wonderful facilities that are constantly being improved. The Trustees and Committee would like to thank everyone who helps with the care and maintenance of the site - the COGs, who turn up on a Tuesday to empty the bins, cut the grass on the play area, and do other jobs as required; the sports volunteers who look after the cricket square and the football fields, and all the other people who help at the various fund-raising events.

New Hedge

If you have been to the field recently you will have noticed that the old telegraph-pole barrier, between the car park and the field, has been removed. The plan is to replace this with an appropriate evergreen hedge. To this end, we are appealing for funds to contribute towards the purchase of suitable hedging plants, to be planted later this autumn.

Ground Work

Also, the large pile of soil, near the bonfire area has now been moved to the south-western corner of the field. The intention is to use this, together with the soil generated by the improvements to the cricket square, to bring this area, behind the second football pitch and the western boundary, back into good condition and return it to use as a junior pitch.

We are pleased to report that the teething issues between the Cricket and Football grounds maintenance teams have been overcome and a good working relationship has been established between the two teams for the benefit of the playing fields as a whole.

We hope you will agree that, under the expert direction of Steve Thackeray, the playing surfaces have been considerably improved. Once we finally received a good dose of rain the grass quickly returned to a lush green surface which, we hope, all the various teams are able to enjoy again.

Play Area

We have continued to seek suitable sources of funding and are hopeful that, if we are successful with satisfying the requirements of the current applications, we will be close to being able to commission the installation of the much wished-for play equipment. However, we will still be around £6000 short.

Once installed this will create a space that is accessible to all and, we hope, will create somewhere for all ages to enjoy from the tiny ones, at the north end, to the juniors, in the middle area, and older youths, at the end closest to the playing field. We have taken account of guidance from the charity Make Space for Girls by seeking to provide a range of seating and swing options. We have aimed to incorporate as many of the requested activities as possible.

However, we will need seats for the new area, so if you would like to donate, and dedicate, a bench or picnic table, to be incorporated into this area, we would be pleased to hear from you.

We are aware that this is just the start of the improvements required and that there will be other elements that will be needed. We haven't forgotten that we have been asked for a table-tennis table!

Thank you to everyone who has already made a donation. However, if you would still like to help either follow the link to NCPFA LocalGiving fundraising page, where you can also give funds with :

<https://localgiving.org/north-cave-playing-field-association>

or send direct to the Playing Fields Association

Humberhead Solar Project

Humberhead Solar Project, from being constructed on the historic landscape near the village. I am sure there are people who feel just as passionately about the countryside around Sites 1, 3 and 4 and I would like to work with them to highlight their concerns.

If there is anyone in the North Cave area who would like to contact me to discuss this, may I suggest taking a look at our Facebook group; STOP Londesborough Solar Farm or getting in touch directly by email at:

a.ashwin-solar@outlook.com

Full details are available on the Humberhead website:

www.humberheadsolar.co.uk/documents.

Cave Players

Goldilocks is Coming (Oh yes she is!)

Rehearsals are now well underway for our next annual pantomime "Goldilocks" which will run from 23rd to 30th January 2027 at the North Cave Village Hall. Tickets will be available from the beginning of December and full booking details will be included in the next edition of the Village Link.

In the meantime, work is now also getting underway "behind the scenes" and we really could do with a couple of extra hands to help with set construction and scenery painting, etc. Help is also needed on the stage to make the scene changes happen during the shows. If any (or all) of these things appeal to you, and you are over 16 years of age, we would love to hear from you. Any time you can spare, from just a few hours here and there, will be gratefully received. No particular skills or experience are necessary and full training will be given. If you would like to know more, please drop an email to Malcolm, our Stage Manager: malcolm@caveplayers.co.uk

Murder Mysteries

As well as the pantomime in January, we perform a number of Murder Mysteries throughout the year to raise money for charities. We are always on the lookout for more actors (especially men!) for these. Murder Mysteries are always great fun and don't involve learning lines or a schedule of rehearsals. The cast simply get together a couple of times before the event to run through

the outline plot and character profiles. Interested? Why not drop an email to Kerry, our Secretary, to find out more:

secretary@caveplayers.co.uk

Women's Darts Team

Our friendly local female darts team has been going strong for many years, and we're always happy to welcome new members! Whether you're a complete beginner, haven't picked up a dart in years, or you're an experienced player looking for a team, there's a place for you. We're all about having fun, meeting new people and enjoying a bit of friendly competition in a relaxed and supportive atmosphere.

We meet every Thursday evening, at 8pm so why not come along, have a throw and see what you think? We alternate between the 3 different locations. All ages and abilities are welcome — beginners especially encouraged!

Courtney & Joyce

Crown R- Winners of the Season

North Cave Coal Exporters Cricket Club

North Cave Coal Exporters' senior sides experienced contrasting fortunes in the closing

months of the season, with the first team showing their potential and the second team finishing strongly.

The first XI's major highlight was a memorable win away at Acomb. The Coalies piled up 342 from 50 overs before dismissing the hosts for 162 to complete a commanding 180-run victory. David Barker led the way with a brilliant 147 from 151 balls, including 18 fours and four sixes. Milan Pandya added an unbeaten 53 and Tom Dutton made 40, before Liam Walker took five wickets to round off an excellent all-round display.

Although consistent run-scoring proved difficult at times, with defeats against Malton and Old Malton, Drax and Dunnington, the Acomb performance offered plenty of encouragement to take forward.

The second XI won four of their final five completed matches. Richard Dannatt was central to victories over Gilberdyke and Bransholme & Kingswood, taking 4/25 and a superb 6/15 respectively. Skipper Andy Reeves also impressed, returning 3/15 against Beverley Town and 3/17 against Bransholme & Kingswood.

There were important batting contributions too. Aabid Bashir struck an unbeaten 54 in an eight-wicket win over

Beverley, while Sam Young anchored the Bransholme & Kingswood chase with 59. Against Pelican, Bashir's 36 and Young's 28 helped set up a tense one-wicket success after Kailasapathy Balamayuran and Sumit Kumar shared seven wickets.

Another August highlight was North Cave's second junior festival, with young players welcoming teams from across the region. Thank you to the parents and families who supported the day, and especially to the brilliant volunteers who made it possible.

There was more to celebrate as the under-13s won the Rhodes League after recording 11 victories from 20 matches.

Winter nets return at Haltemprice Leisure Centre in the new year. If your child is interested in trying cricket, please contact our junior organiser Sam Young via northcavecoalies@gmail.com for more details.

The club is also seeking someone to help provide teas for the first and second teams on most Saturdays in 2027. If you are passionate about pastry or super with sandwiches, contact club chair Henry Green on 07773 151516.

Newbald Live @ Newbald Village Hall

Newbald Live have four live events remaining this year and an exciting line-up developing for early 2027.

Sunday 4th October, Doors open 4.30: The Dreaming Spires + The Annie Keating Band

This double bill features The Dreaming Spires, an Oxford based band offering guitar driven melodies and glorious vocal harmonies, followed by Annie Keating from New York and her crack band. Annie is a singer-songwriter at the blues end of the folk/rock spectrum and

you are guaranteed a magical afternoon of high quality music. "A MUST SEE" – Bob Harris, BBC Radio "Tremendous. Razor sharp rockabilly, sweet country and swampy blues, the

band at full tilt. Annie Keating with her crack combo of UK players blew everyone away. Exhilarating." – Americana UK

Tickets: £18 – details at www.newbald.live

Sunday 15th November, Doors open 4.30: Henry Normal

This show is almost sold out but if you're quick, you can grab the final few tickets! Henry is a nationally renowned poet, writer, comedian and producer responsible for some of the best TV comedy of the last thirty years, Royle Family, Mrs Merton, Steve Coogan and more. Henry is a BBC Radio 4 regular and a BAFTA winner for services to television – this is an afternoon not to be missed!

Tickets: £18 from www.newbald.live

Wednesday 25th November, Doors open 7.00: Just Dickens

Other Lives Productions herald the Christmas Season as they present Just Dickens, a Gallimaufry of readings, snippets, anecdotes, factoids and semi-dramatisations from "the man who invented Christmas"

Richard Avery and Neil King bring alive characters dreamt up by Charles Dickens - among them Mr Pickwick, Ebenezer Scrooge, The Signalman, Bill Sykes, The Uncommercial Traveller, Uriah Heap, Wilkins Macawber, Abel Magwitch, Wackford Squeers, Sairey Gamp, Daniel Quilp and many others...

Tickets: £12 / Concessions (over 60): £8

Saturday 12th December, Doors open 7.30: Gareth Davies-Jones

Get in the mood for the festive season with Gareth Davies-Jones' Acoustic Christmas show, where he creates a space away from the hustle and bustle of what Christmas has become. Armed with a variety of instruments and a selection of stories and anecdotes, you'll be taken on a journey through some of his favourite songs and carols of Advent and Christmas. Listen, sing along, remember, look to the future, lose yourself in the music.

Tickets: £15 from www.newbald.live

Remember, you can sign up to our email list on our website, offering the chance to save booking fees on all tickets.

Behind the Lens with R V Productions

If we've not met before, we're Rachel, Lee & Joe, the team behind R V Productions.

We're an East Yorkshire-based video production company, but more importantly, we're three people who genuinely love meeting people, telling stories and helping businesses and families capture moments that matter.

Rachel & Joe now live in Hotham and we would very much like to work with more amazing people in this area.

One thing people often tell us is that we're "not what they expected."

Perhaps that's because we don't turn up with big egos or a Hollywood attitude. We turn up with cameras, a lot of enthusiasm and the belief that the best videos come from real people simply being themselves.

Between the three of us we bring very different strengths.

Rachel is the founder of R V, she is one of the few, if not the only, female founder/director of a film company in East Yorkshire. Rachel's creative eye is behind many of our films, with a real talent for spotting those little moments that make a story memorable.

Lee adds another creative dimension with his experience in music and performance, making him an amazing sound engineer, he helps us create videos that don't just look good, they sound good and they connect with people.

Joe looks after the remainder which includes planning, financial, organisation and all things aerial footage (he does love his drones) making sure every project runs smoothly from start to finish.

Together, we're fortunate to work with all sorts of clients.

One day we might be filming with Gosschalks in Hull City Centre, the next we're creating recruitment videos for students at Harte's

Academy, another we are at SAFE Equestrian helping people understand their offering. Then there is one of our favourites, Tickton Grange capturing their venue, food and drink offerings, not to mention their gorgeous rooms.

At weekends you'll often find us filming weddings, capturing one of the biggest days in a couple's lives.

Although every project is different, the aim is always the same.

We want people to look back at a finished film and think, "Yes... that's us."

No awkward scripts, no forced smiles, just authentic stories told well.

Being a local business ourselves means we understand how important reputation is. Most of our work comes from recommendations, repeat clients and people who have seen something we've created for somebody else. We never take that trust for granted.

You'll probably see us out and about at village events, local businesses and community celebrations over the coming months, and we'd always encourage people to come over and say hello. We're always happy to chat—whether you're planning a wedding, looking to promote your business, organising a community event or you're simply curious about what goes into making a professional film.

This page isn't just about what we do—it's about getting to know the people behind the cameras.

We look forward to meeting many more of you over the coming months.

Rachel, Lee & Joe
